

Chance After Chance College Prep – Student Transportation Services

Application for Transportation

Service School Year 2025–2026

Designated Programs

Notice: Transportation is currently available for students participating in specified programs at identified sites. The parent and/or legal guardian of each student attending school and requesting transportation services to a school with service for the next school year and/or completing any transportation request form must complete this application by **May 19, 2025**. Forms received after this date will be processed, but transportation on the first day of school is not guaranteed. Parents may request transportation services at any time during the school year. This form is not applicable for summer transportation services.

Responsibility: It is the parent's/guardian's responsibility to provide adult supervision during a child's walk to and from the assigned pick-up/drop-off location and until the vehicle arrives. Generally transportation services are provided to select programs and when the student lives between 1.5 and 6 miles from their attending school. Designated neighborhood schools are normally assigned as pick-up/drop-off locations for most students. Additionally, parents/guardians are responsible to have the child ready and at the assigned stop location 10 minutes prior to the scheduled pick-up time.

Parents must acknowledge that they have reviewed the billing, enrollment agreement and policies for student transportation services and that their child/children will use the provided vehicle on a regular basis. **Lack of regular use can cause the assigned school site stop location to be removed from the route for the remainder of the school year.**
