Dehydration

With the end of Summer just around the corner and the last of the Season Celebrations taking place, we must not forget to stay hydrated! Mornings are cool, but as the day gets going, so does the heat. Hot days cause more cases of dehydration if the fluid intake is not adequate. Plan for the day as the heat rises.

Sweating increases and so does the need for fluids.

Outdoor exercises that are physically challenging make you more vulnerable. Older adults are more vulnerable also.

Ensuring sufficient fluid intake can help people avoid dehydration. This is not always a reliable indicator that the body needs water, so it is beneficial to learn the symptoms of dehydration.

Signs & Symptoms:

- Extreme Thirst
- Less Frequent Urination
- Dark Colored Urine
- Dry Mouth
- Less Frequent Sweating
- Feeling Tired
- Dizziness
- Dry Skin

Infants & Children:

- Dry Mouth & Tongue
- Crying Without Tears
- No Wet Diaper (3+ Hrs)
- High Fever
- Unusually Sleepy
- Drowsy
- Irritability
- Sunken Eyes

Rummage Sale

We are looking at having a Fall Rummage Sale at St. Mary's Parish Hall on Friday, September 25th and Saturday, September 26th and again on Friday, October 2nd and Saturday, October 3rd. Rummage sale will begin at 8:30am and go until 4:30pm.

We are asking for volunteers to help set up, price items and work the days of the rummage. Contact Sonna Hall, JoAnn Thompson or Jennifer Boyd if you are willing to help out.

We will be accepting donated items starting Monday, September 21st. You can drop your items off at the Parish Hall or contact Jennifer at the office to be let inside.

Items we will NOT be accepting: Clothing, Upholstered Furniture, Broken or Heavily Used Items. We ask that everything is CLEAN and if you would like to price your items ahead of time that would help out as well.

**The money collected will be donated to
Fr. Deus Uganda Hospital Project.**
