PARISH NURSE'S CORNER

Judy Sheets, Karen Trimble, JoAnn Thompson

As the Seasons are changing, the weather is fluctuating. Again, runny noses, coughs, and more are starting to appear. The following are some reminders as to what to do to stay healthy.

- Wash your hands frequently
- Stay away from crowds (lots of people with germs)
- Stay away from people with a cold/flu
- Don't smoke and stay away from smokers
- Eat a healthy diet
- Drink a lot of fluids
- Exercise regularly
- Get a "good night's sleep" every day
- Don't get run down
- Rest when you need to
- When you use tissues, dispose of them
- Wear a mask

Spring is here! Let's hope the cold fluctuating temperatures will end. The downfall is allergies will be starting, so you will need to know how to treat them as well.
