As the Seasons are changing, the weather is fluctuating. We are coming to the time where we will experience runny noses, cough, sore throats, itchy/watery eyes and fatigue. Some are caused by allergies, but be aware that it could be more than just that. Monitor your symptoms closely and do everything possible to keep yourself and your loved ones healthy.

#### The following are reminders on how to keep yourself healthy:

- Wash your hands frequently
- Stay away from crowds (lots of people with germs)
- Stay away from people with a cold or flu
- Don't smoke
- Stay away from smokers
- E-cigarettes/vapes are just as harmful
- Eat a healthy diet
- Drink lots of fluids (especially water)
- Exercise regularly
- Get a good nights sleep
- Don't get run down
- Rest when you need to
- Wear a mask (if needed)
- When using a tissue, dispose of them properly
- Carry hand sanitizer
- Take your medications properly
- Take your vitamins
- Carry your inhaler (if asthmatic)
- Consider an allergy pill or nose spray

Enjoy Your Fall!

#### **Labor Day**

Thank you to all of those who worked so hard in making our Labor Day Weekend such a huge success. If it was not for all of our volunteers and working so hard, we would not be able to continue to have such a successful celebration year after year. We couldn't have asked for better weather over the weekend. It allowed for such a great turn out for all of the events.

I would personally like to thank all who helped me in the office getting the letters mailed out, counted and sorted tickets and cash boxes, along with any other prep work the weeks before the Labor Day Weekend. You do not realize how much of a help you are and I am so grateful for all of you.

We are already planning for next years events. If anyone would like to help out or with any of our upcoming events, such as the Christmas Bazaar and the 250th Celebration weekend in June, please contact the office.
