Sunday Night Net Time Change?

At our last meeting, we discussed the possibility of moving the Sunday Night Net from 9:00pm to 8:00pm. As an experiment, we have for the last few weeks been running the net at both times to see which time slot was more popular. So far, it seems about a tie. Not only are we getting the same numbers at both times, for the most part, we're getting the same people checking in at 8:00 and then again at 9:00.

What are your thoughts; would you prefer that we move the net to 8, or continue it at 9? Please share your opinion at the next club meeting, on the next net, or drop us a note at gcarc.wireless@gmail.com.

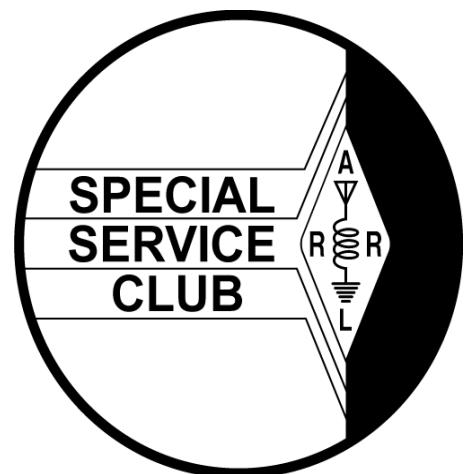

By the way, don't forget that the next club meeting is this coming Tuesday, April 15th. Hope to see you there.

Hi there,

The Chelsea Amateur Radio Club (CARC) Swap Meet on Sunday, June 8, 2025, has been cancelled. This is the first time this has happened since it's inception in 1978.

We have had several health issues arise within the members of our club that prevent us from organizing and staffing the CARC Swap Meet. We ask that you respect our members' privacy at this time as we continue to adjust to all the changes.

Thank you so much for your support for all these years. We will miss seeing each of you!
