

INVITATION to our 2nd ANNUAL GALA

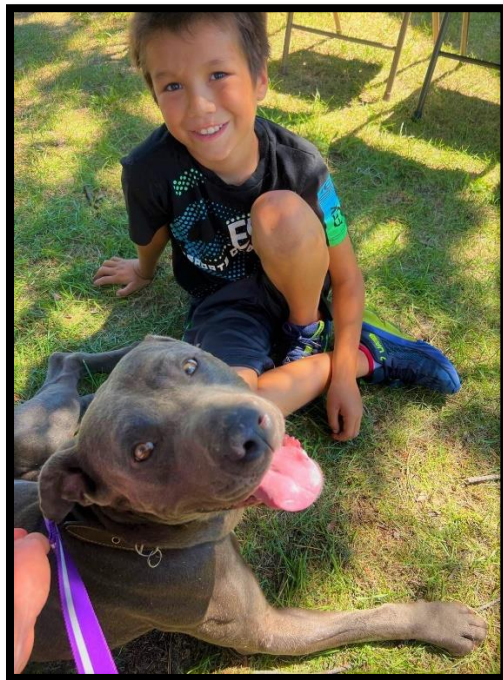

February 11th 2023 Hilton Garden Inn, Missoula

WHAT WE'VE ACCOMPLISHED

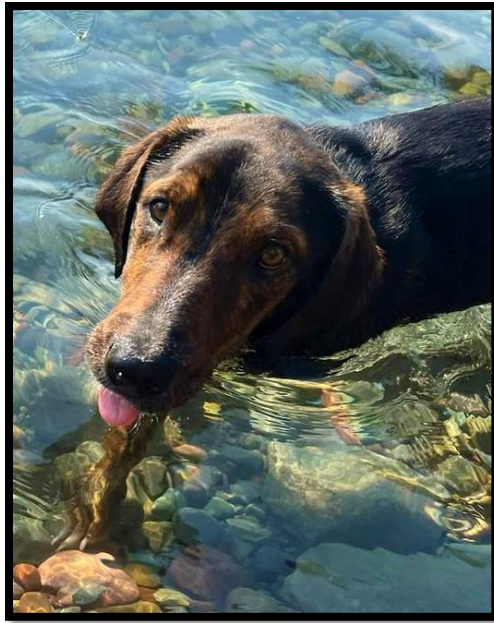

2022 has been a whirlwind! Thank you for being there with us every step of the way.

We expanded our Pawsitively Healing Camp programs to help more Reservation youth build resiliency with the aid of our incredible animal healers. We offered **two camps**, which featured dogs, horses, raptors, and wildlife.

Bogs at Camp

With your help, we have made enormous strides. In 2021 we had just launched our programs and taken in our first 13 emergency animals. In 2022, **took in 148 dogs** and processed over **100 adoptions!** Many of these dogs had suffered trauma and needed healing, like Bogs (who needed amputation after being intentionally hit by a car), Johnny Cash (who needed amputation after surviving several months with a traumatizing, untreated injury), Buck (who had been shot twice and hit by a car), Smooch (who had almost starved to death), and many more.

Buck

We also **spayed or neutered 140 Reservation animals** in 2022, which included organizing three clinics.

MISSION

We have worked hard to further our mission of providing a sanctuary where animals heal people and people heal animals.

LOOKING FORWARD

We look forward to doing even more in 2023. We already have two big community clinics scheduled, one on April 22-23 and the second in September. The goal is to spay/neuter 200 animals at each of the two clinics. We plan on holding one (bigger, better, and longer) Pawsitively Healing Camp this upcoming summer. We expect a further expansion of our services, growth of our foster network, progress on a new healing site, and a deepening of collaborative work with our Tribal and nonprofit partners.

YOUR SUPPORT

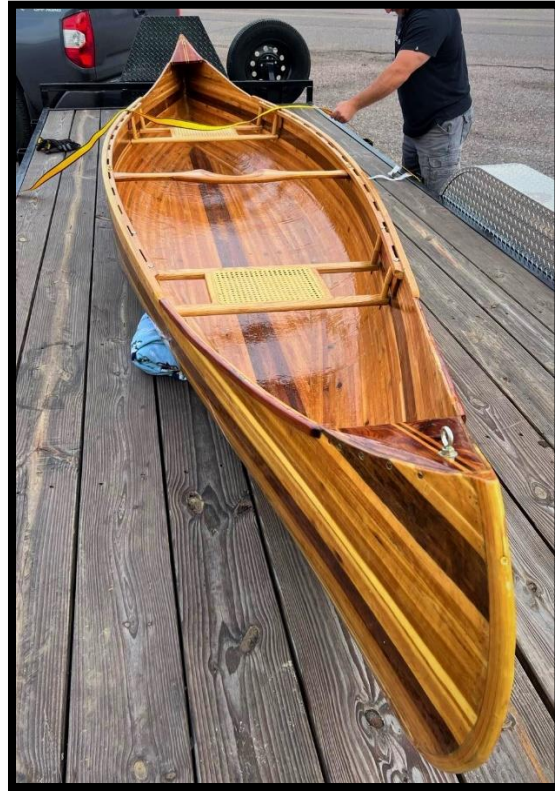

We can only bring healing to our communities with your help, and our Gala will set the tone for an exciting new year.
