

Arlee Rehabilitation Center

The Arlee Rehabilitation Center (ARC) is a trailblazing 501c3 nonprofit serving the Flathead Reservation, **providing a sanctuary where animals heal people and people heal animals.**

Adoptions

Rescue Work

Healing Camp

As we approach our **4th annual Gala**, we hope to inspire you to support our unique work.

Even as we help animals facing trauma and crisis, we seek a paradigm shift from “animal rescue” to “community healing.” The people of the Flathead Reservation are at the heart of our vision. Today, we sit at the cusp of a pivotal and exciting year-to-come, and we will need YOUR help to make it happen, but first, here is a glance at the year past:

ARC's 2024 totals:

- **Pawsitively Healing Summer Camp for 28 Reservation youth**
- **643 spay/neuter surgeries including 439 dogs (260 females and 179 males)**
- **206 dog intakes**
- **218 dog adoptions**
- \$88,594 invested in veterinary support for low-income Reservation families, including emergency surgeries and procedures, parvo interventions, and two mass spay/neuter/vaccine clinics.

2025 GALA

Feb 22nd

4:30-9pm

Missoula Hilton Garden Inn

AUCTION DONATION
Pledge to Donate

Our huge annual fundraiser is YOUR opportunity to be part of our healing journey! We are asking you to support our live & silent auctions with gifts or sponsorships that will have an immediate impact on animals and people in crisis. As a small 501c3, we have very little overhead, and ALL of your support goes toward critical life-saving services.

Please join us in making a better world in 2025!

Spay/Neuter Clinic

Paws on the Ground

Spay/Neuter Clinic

ARC's overarching goal is alleviating burdens for communities throughout the Flathead Reservation. To that end, we spend time within the community, listen to its needs, try our best to be there when we are needed, and find meaning in the relationships with those we serve. Coming to us as victims and leaving as healers, extraordinary reservation dogs are an integral part of our work.

WE NEED YOUR SUPPORT TODAY
to expand our services and make a lasting difference!

Thank You!
