To our fellow businesses and community members!

We are thrilled to announce our **5th annual Halloween Hoopla!**, a free community event that has grown to serve over 400 families last year. This event is rooted in our core values of **joy, connection, creativity, growth, passion, and empowerment**, and we are excited to once again bring our community together for a day of fun.

Halloween Hoopla! will feature trunk-or-treating, dancing, games, and activities for the whole family. To make this event even more successful, we are seeking support from businesses like yours through monetary donations or in-kind contributions such as toys, prizes, candy, or activities.

Your business is a vital part of our community, and by sponsoring this event, you will not only help create a memorable experience for local families but also gain valuable exposure. Imagine your generosity being recognized by hundreds of families, showing them the important services and products you provide.

As a sponsor, your business will be:

- **Promoted** in our event marketing and social media, reaching over 600 local families.
- **Highlighted** at the event, showcasing your support for a positive community experience.
- **Recognized** as a community-focused business that cares about the well-being and joy of local families.

Attached, you'll find more details on how you can get involved. Your contribution will help make the Halloween Hoopla! a huge success, and we'll ensure your business is front and center in all promotions.

Thank you for considering this opportunity. We look forward to the possibility of partnering with you to make this event a celebration of community, fun, and togetherness.

Warm regards,

The South Sound Dance Team, Students and Families
