September 2026

Dear Community Partner,

South Sound Dance is excited to host our 6th annual Halloween Hoopla, a completely free community event that welcomed more than 400 local families last year!

Halloween Hoopla brings families together for trunk-or-treating, dancing, games, activities, and plenty of Halloween fun. To keep this event free and make this year's Hoopla even bigger, we're inviting local businesses to join us through monetary sponsorships or donations of candy, toys, prizes, products, services, or activities.

In return, we'll proudly recognize the businesses that help make Halloween Hoopla possible throughout our event, social media, and community.

We'd love to have your business join us! Please see the attached sponsorship opportunities for ways to get involved. Every contribution, big or small, helps us create an incredible Halloween experience for our community.

Warm regards,

The South Sound Dance Team, Students and Families
