And so it begins...

Meet Ollie and Olive the mascots for our ORCA dance program! These two and our incredible teaching team will help your dancer, ages 18 months - 6 years, begin their dance journey in a weekly Tiny or Kinder class.

ORCA dancers follow a curriculum for development where social, motor, and creative skills intertwine with beginner dance. They perform in the Holiday Show, the Spring Recital and our Summer Dance in the Park experience.

We suggest ORCA's take 1 - 2 classes per week.

PROGRAMS 6 & under

PROGRAMS ages 7 - 18

Watch them grow...

As your dancer grows and learns with us, they will move into our SPARK recreational dance program for ages 7 - 18 years with classes in ballet, tap, jazz, hip hop, acro, and more! If you are new to our studio, and your dancer is in this age group, they will begin here.

SPARK dancers take a weekly class(es) and have the opportunity to perform in the Holiday Show, the Spring Recital, and our Summer Dance in the Park experience. Find your spark with a dance class!

We recommend Spark's take 2 - 3 dance classes per week.

**Let's Amp
it up...**

After you have danced with us for a year, AMPLIFY is the perfect program to step up your dance game, be a part of a team, and perform! With classes from age 5 - 18, this program will develop your child's confidence like no other!

AMPLIFY students enroll in a ballet, tap, jazz, or hip hop class and enroll in an AMPLIFY class. They perform in the Holiday Show, Spring Recital, community performances, and a dance competition! So amp up your dancing and join the team!

Requirements: ages 5 - 18, 2-3 classes minimum per week, AMPLIFY membership and 10 month commitment.

ELEVATE students must audition and take a required number of classes. Members compete at 3 dance competitions, perform locally, and participate in studio performances. Elevate builds you up technically & artistically!

Requirements: Audition, 5 class minimum per week, Elevate Membership, 12 month commitment.

PERFORMANCES

Holiday Show

Performances are the best way to build your child's confidence and show case what they have been learning in their classes. The Holiday Show is one of our students favorite performances of the entire year! It's a spoof of the traditional nutcracker and tells this classic story with a twist, including all styles of dance! Dancers ages 2 and older may participate. Examples of our performances in the past include:

- Nuts for the Mouse (a Disney spoof)
- Son of a Nutcracker (a spoof on the movie Elf)
- A Very Merry Muppet Nutcracker (Muppets!)
- Cat N' the Nutcracker (Dr. Seuss themed)

Recital

Recital is the culminating event for your dancer! And participating in recital is so important for your child to really experience all that dance has to offer. At recital your child will get to showcase everything they have achieved throughout the year, dance in front of an audience and have a live performance experience, celebrate with their class, AND create memories that will last a lifetime. This is something you definitely want your child to experience!

We love to honor our students at recital too, so you will also see 5 year awards, senior awards, as well as merit scholarships for students who are demonstrating leadership, growth, love and support for their peers, and a passion for dance!

PARENT WATCH WEEKS

Come see what's happening at the studio!

While we know you would love to watch your child in person at the studio, your child grows and learns more without knowing that you are observing. It builds independence and confidence and even allows them to feel they can be more expressive without a parent watching. But here is the good news, you can always watch and hear the class on Zoom AND we have an in person PARENT WATCH WEEK every quarter, where you can view all of their progress, ask the teachers questions, and experience the joy of dance!
