

THE PERFORMANCE EXPERIENCE

WHY WE PERFORM

Performance gives dancers something to work towards, something to look forward to and a chance to feel their growth celebrated.

There's no feeling like the stage lights on your face, and we want every dancer to feel that magic!

MORE THAN A SHOWCASE

From creative themes and storytelling, immersive experiences, high quality lighting, production value, amazing studio photos and so much more.

We work hard to create an unforgettable experience for every family, every step of the way!

Every dancer performs in two incredible productions each year.
Holiday Show - Our hilarious twist on the classic Nutcracker
Spring Recital - A brand-new theme every season

THIS YEAR:

Holiday Show:

November 30 - December 5
Olympia High School PAC

Spring Recital:

June TBD
Capital High School PAC

THE PERFORMANCE EXPERIENCE

Every Dancer Participates!

All dancers enrolled in a performing class are automatically included in both our Holiday Show and Spring Recital.

Performing is an essential part of dance education — just like the game is part of soccer or the concert is part of band!
