

EXPERIENCE IT!

South Sound Dance presents a Holiday Show – a spoof of the classic Nutcracker, incorporating all styles of dance AND a spectacular annual Recital every year!

Learning choreography and performing on stage is an essential part of the dance class experience! We highly recommend all dancers participate with all of their classes.

This experience gives dancers technical skills AND the opportunity to perform on our community's best stages - The Washington Center for the Performing Arts & the Kenneth J. Minnaert Center!

5 REASONS TO SAY YES TO RECITAL!

We often hear from many parents that they feel their child is not ready for recital, or that they are afraid their child will not perform on stage. While we cannot make any guarantees, **We can share with you the 5 reasons to say YES to Recital!**

#1 EXPERIENCE

At South Sound Dance we work to make recital the BEST EXPERIENCE for all of our families and dancers, ensuring that every dancer has their moment on stage! In fact, out of our 350 performers last season we only had 2 tiny dancers that did not go out on stage for dress rehearsal, but they made it out for recital!

#2 CONFIDENCE

Recital and performing in general BUILDS CONFIDENCE and EMPOWERMENT in our kids. It's something that they achieve, that they get to say "I DID IT!"

#3 There is an "I" in TEAM

Recital teaches both the meaning of the word TEAM and INDIVIDUAL. Dancers learn to work together and to own their individual strengths to achieve a group performance.

#4 PRACTICE: GAME as PRACTICE: PERFORM

Recital is the "game" if you will, to soccer practice. Would you sign up your child for a sport if there was never a game? No, right? Because in a sport we are learning how to play a game. In dance, we are learning how to PERFORM!

#5 CELEBRATE SUCCESS

This is their moment to CELEBRATE their success! And we celebrate them BIG at South Sound Dance!
