# General Recital Information

The opportunity to perform in a recital is an exciting, empowering and confidence-building part of the dance training process. This is where we love to watch our students learn about the theatre, rehearsals and teamwork while they enjoy the opportunity to showcase their skills in a professionally run production. Recitals are a wonderful way for students to showcase the results of their hard work and for family and friends to join in the pride of their achievement. We love giving all students the chance to perform for their family and friends in this supportive and fun environment and encourage even our youngest and newest performers to be involved. If there is any reason why your child will not be able to perform at the recital on the dates and times provided in this handbook, please let us know so we can make amendments to the class routines involving them. This is without doubt the highlight of our year and we are so excited to show you how hard our dancers have been working!

## 1. *Attendance*

In terms of attendance, it is very important that students do not miss any of their scheduled classes between now and recital time so they can spend their rehearsal time together to perform their routines, feel confident and look amazing. If your child is sick for class but well enough to come and watch, this is preferable to missing out altogether. If for any reason your child will miss any of their regular classes, we ask that you contact the front desk at 360-918-2171 to let us know in advance. **As a reminder all students must be present in class the last week of classes prior to a recital.** If a student is absent and does not inform the front desk, the student may not be able to perform in the recital with the class. Students may only miss class the week before a recital if prior consent has been given. This is strongly discouraged as it is very important for the students to get to rehearse with the whole class before a performance, but if it is absolutely necessary, please speak with the front desk immediately.

## 2. *Rehearsal*

Here at South Sound Dance, dress and technical rehearsals are a super important part of preparing for our recital. This is where we get to see the costumes working on stage in a group to really compliment the dances your children have been working so hard on throughout the year. It gives us a chance to make any adjustments and ensure that everyone has time to get ready between their dances. We can see if any costumes are missing hairpieces or need to be altered.

Even more importantly, it gives the stars of our show a chance to get up and rehearse together and on the big stage – a very different environment than they are used to within the studio walls. They can overcome some of the jitters that may hit when the bright lights come on and really prepare themselves for the show ahead. It is a fun and rewarding experience and a great chance to play with their friends and watch some inspiring dancers as they wait for their turn in the spotlight.

For the Holiday Recital, we have a Dress Rehearsal at the studio where we put the whole show together for the first time. We also have a Dress Rehearsal at the theatre prior to the show. Lead Roles will have several additional rehearsals. Please see the rehearsal schedule online at

<http://www.southsounddance.com/holiday-show> and review your class handout for your class information.

Students will need to bring along all of their costumes, and arrive with hair and makeup done. Please bring along hairspray, bobby pins, bun pins, hairnets, stockings, socks, hair ties and safety pins.

All costume and clothing items must be clearly labelled and children are asked to bring healthy snacks (snacks that do not stain) and a bottle of water – all labelled with your child's full name. Our staff and volunteers will ensure that children are reminded to drink water regularly and eat their snacks at the allocated times.

Parents and staff members who are volunteering to help at the recital will also need to be available for Dress Rehearsal to ensure they understand their roles and can see how everything will be run on show day.

### 3. *Check-in*

At our rehearsals and recitals you will be able to find a staff member at the designated drop off location or lobby to direct you to where you need to go.

All parents/guardians will drop off and sign students in. Parents may remain with their child in the dressing room until 15 minutes prior to show time. At 15 min till show time, all parents will be asked to leave the dressing room area. Parents must check students out prior to leaving the facility.

### 4. *Balances Due*

Please note that unfortunately any families with unpaid dance or costume fees will not be allowed to participate in our recital.

### 5. *Finale/Bow*

All dancers will participate in Finale – an opportunity for your dancer to come out on stage with the whole studio and take a final bow.

### 6. *Opening Number \*June Recital Only*

All dancers age 5 & up are invited to perform in the Opening Number (the very first dance!) for our June Recital. Opening Number does require additional rehearsals. Rehearsal times and the Opening Number signup sheet will be posted in April. More information to come in April.

Photo day for both the Holiday Show and June Recital will take place at South Sound Dance and will involve all of our hardworking dancers. Performers will be photographed in full costume with hair and make-up done just as they would have for the show. Due to time restrictions, we will only be able to shoot one individual photo and one group photo per dance group. Exact times for the groups on photo day will be given out a bit closer to the date, but please try to keep the day free until we can advise in more detail.

### \*\*\*NEW THIS YEAR\*\*\*

Photos will be purchased directly from South Sound Dance. Payment for photos can be made by cash, check, or card to South Sound Dance. Please see your class photo sheet for specific package and photo pricing.

For copyright and child safety reasons, we do not allow any photographs to be taken during the show by anyone other than our contracted photographer. We also cannot allow parents or friends to take photos of students posed and in costume during our official Photo Day, as it can be very distracting and compromise the quality of our reasonably-priced professional photographs.

## DVDs and Digital Downloads

In conjunction with copyright and child safety laws, personal photography or video recording is strictly prohibited. We have employed professional Videographers *Turning Leaf Productions* to capture these memories for you! The cost of the high-quality recital DVDs or digital download is \$30/dvd, 2 for \$55, or 3 for \$80. **All orders for DVDs and Digital Downloads must be paid to South Sound Dance and be placed by the recital date.** Orders placed after this date will be \$45/item. No orders can be placed 30 days after the recital. Pickup is usually available from the studio within 4-6 weeks. Place your order with South Sound Dance to ensure you don't miss out on this great keepsake!

# What to Bring

All children must bring a clearly labelled bag, caboodle, or makeup kit with makeup, hair spray, gel, hair elastics, bobby pins, and safety pins.

Your dance shoes, stockings, socks and dance underwear must also be packed. Don't forget your costumes too! These are best hung on coat hangers and protected in a costume bag that is clearly labelled. If you have a portable costume rack, please bring it as hanging space is quite limited.

**FOOD AND DRINK** - Costumes are easily ruined by food and drink stains. It is best to eat when not in costume! However, it is very important they have something nutritious to keep their energy up and sometimes they might be in costume so choose snacks that won't stain – this means NO fast food, cheese snacks and chips, etc.. NO nuts or nut products. We recommend apple slices, string cheese, hard boiled eggs, crackers, health and protein bars, bagels, carrots, cucumber slices, bananas, etc. They also need to bring A LOT of labelled water – NO soft drinks or juice as it stains the costumes. This is for both the rehearsal and concert.

Children are discouraged from bringing any valuables including phones, iPods, iPads and laptops as the venue and South Sound Dance will not take responsibility for any items lost, damaged or stolen.
