

RESUMÉ

WHO: *Debby Lucas Angel*

WHAT: *KY House 61st District Representative*

WHEN: *2022 Election Cycle*

WHERE: *Counties: Grant, S.Kenton & Boone, N. Scott County*

WHY: *Unique qualifications to be 61st District House Representative (see below)*

HOW: *Communicating my qualifications; being honest with voters and LISTENING.*

Using my background, training and knowledge, I will work within Kentucky's three governmental branches to Reunite for the Future.

Experience:

- Raised on Dairy Farm
- Worked in private business Tobacco Warehouse and as student at University Farm, Morehead, KY
- Retired from Kentucky Department for Environmental Protection with 25 years experience. During this time, I worked as:
 - Principal Clerk Typist; handled office with four inspectors and a supervisor; worked with Division of Waste Management personnel
 - Environmental Inspector; Division of Waste Management, Division of Water
 - Environmental Control Supervisor; managing regional field office, two to seven inspectors and secretary; coordinating with two other Divisions in the Office
 - Resource Management Analyst; overseeing all 300 plus computers and users for the Division of Water statewide. Included procurement of equipment, training and maintaining computer systems for all personnel including Frankfort and statewide. As well coordinating with other Divisions, Cabinets and the state offices of technology.
- Contract writer (free lance) for Grant County News
- Horticulture 4-H Leader, Grant County
- Member/past president Grant County Farmers' Market and State Farmers' Market Association
- Certified Yoga Instructor, teach all levels and ability including all classes at Dry Ridge Elementary School, at Senior Center, Grant, Owen and Gallatin County Libraries and Grant County Martial Arts.
- Volunteering for Fitness For Life Around Grant County (FFLAG) including chairing Biggest Winner Subcommittee and assisting at Derby Dash and other activities
- Previous Vice Chair/current member, Grant County 4-H Council
- Member Grant County Extension Council
- Volunteering around the County at different venues, activities and locations.
- Member Kentucky Democratic Party Rural Council
- Member Kentucky Democratic Party LGBTQIA Council
- Member Grant County Solid Waste Board

Ability and Knowledge:

- Create regional office from scratch for Northern Kentucky (top 11 counties including Grant).
- Reorganize statewide computer system for Division of Water. Took from a closed and old-fashioned tech support system to delegated responsibilities and optimum efficiency and response as well as saving money and time. This included purchasing new equipment, repairing existing usable equipment, providing training and support for 300 plus users as well as organizing assistants for my position.
- Create filing systems on at least two occasions when there was no organized filing system and no way for more than one person to find anything in the existing system. Create procedures to maintain/upgrade/reduce those filing systems—one of which is still in use today.

Education/Certifications:

Bachelor of Science Agriculture; area core Animal Science

Bachelor of Arts Journalism; area core Public Relations

Associates in Business PC Support and Administration

Kentucky Certified Public Manager; nationally recognized program developed to train supervisors/managers to manage in government, specifically in Kentucky Government

Certified Master Gardener through the University of Kentucky

200 Hour Registered Yoga Trainer (Yogafit®)
