Attention Catholic Voters!

The Diocese of Boise is urging Catholics to vote **NO on Proposition 1**. The measure would permit abortion up to fetal viability—defined in a way that could allow abortions late into the eighth month for any reason.

It would also give every person, including minors, a right to abortion, removing Idaho's parental-consent protections. Prop 1 broadens who can perform abortions to include non-physicians, which the Diocese believes would endanger women by reducing medical safeguards. As we pray each Sunday for the dignity of human life from conception to natural death, the Diocese asks Catholics to remember that intention when voting on November 3. Prayer cards titled *Life Is Beautiful* are available as you leave.
