

CAJUN KLEEN

Top Eight

1

CAJUN BROWN

An aggressive heavy-duty industrial cleaner formulated to break down and clean up heavy soils and oil-based mud from hard surfaces.

2

BI-U BLUE

A water soluble, non-flammable degreaser. Quickly removes oil, greases, resins, and a variety of other hard to remove soils.

3

AC-1

A biodegradable and environmentally safe cleaner designed to quickly remove oil and greasy soils from any surface.

4

FLEETWASH

A safe cleaner designed to remove road grime on all types of transportation and recreational vehicles

5

TRAILBRITE

By far the most powerful and concentrated aluminum brightener on the market. Will re-move the toughest of soils from aluminum surfaces.

6

CAJUN CRETE

A liquid formula designed to dissolve and remove mineral build-up from tools, siding, equipment, vehicles, and many more surfaces.

7

BRICKHOUSE

Formulated to remove the red mud stains from brick. New construction or older stains, any homeowner or contractor needs this in their arsenal.

8

AL-1

is a budget friendly aluminum brightener and cleaner. Will remove tough soils from aluminum surfaces.

CAJUN BROWN

IS AN AGGRESSIVE HEAVY-DUTY INDUSTRIAL CLEANER FORMULATED TO BREAK DOWN AND CLEAN UP HEAVY SOILS AND OIL-BASED MUD FROM HARD SURFACES.

- OIL & GAS
- FARMING
- MACHINERY & EQUIPMENT
- LOGGING
- PLANTS & MILLS
- LAWN & GARDEN

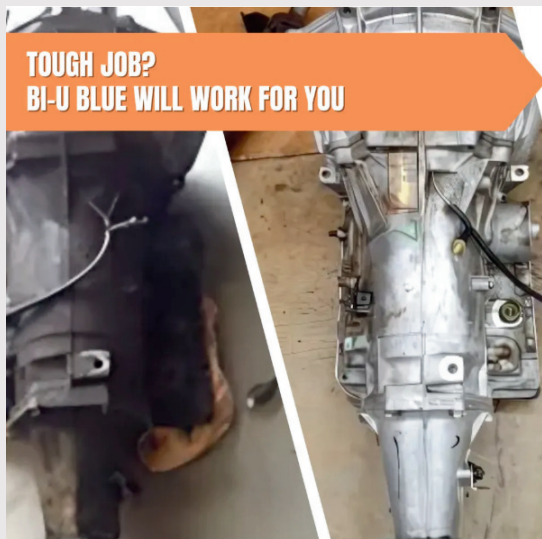

PH	12.7
Solvents	<5%
Alkali	Yes
Phosphates	<3%
Specific Gravity	1.07
Boiling Point	104C-219.2F

BI-U BLUE

IS A WATER SOLUBLE, NON-FLAMMABLE
DEGREASER. QUICKLY REMOVES OIL,
GREASES, RESINS, AND A VARIETY OF OTHER
HARD TO REMOVE SOILS.

- OIL & GAS
- MASONRY
- CONCRETE
- AUTOMOTIVE
- LOGGING
- PLANTS & MILLS
- CONSTRUCTION EQUIPMENT

PH	12.05
Solvents	<5%
Alkali	Yes
Phosphates	<3%
Specific Gravity	1.07
Boiling Point	212F

FLEET WASH

IS A SAFE CLEANER DESIGNED TO REMOVE ROAD GRIME ON ALL TYPES OF TRANSPORTATION AND RECREATIONAL VEHICLES.

- RENTAL
- AUTOMOTIVE
- TRANSPORT
- MUNICIPALITY
- CAR/TRUCK LOTS
- CAR WASHES
- RECREATIONAL
- VEHICLES
- UTILITY TRUCKS

PH	12.0
Solvents	N/A
Alkali	Yes
Phosphates	<2%
Specific Gravity	1.05
Boiling Point	N/A

**IS A BIODEGRADABLE AND ENVIRONMENTALLY SAFE
ALL PURPOSE CLEANER DESIGNED TO QUICKLY
REMOVE OIL AND GREASY SOILS FROM ANY
SURFACE.**

- **HEAVY HOUSEHOLD TASK**
- **CONCRETE**
- **BUG REMOVAL**
- **PROCESSING PLANT CLEANING**
- **TILE & GROUT CLEANING**
- **RV DETAILING**
- **VINYL SIDING CLEANER**
- **MOLD & MILDEW REMOVER**

SAFE & EFFECTIVE

**Makes outdoor
cleaning easier.**

PH	12.1
Solvents	N/A
Alkali	Yes
Phosphates	<4%
Specific Gravity	1.09
Boiling Point	220F

IS BY FAR THE MOST POWERFUL AND CONCENTRATED ALUMINUM BRIGHTENER ON THE MARKET. WILL REMOVE THE TOUGHEST OF SOILS FROM ALUMINUM SURFACES.

- STRIPS OXIDATION
- MINIMAL BRUSHING
- BRIGHTENS & LEAVES A SATIN FINISH
- REMOVES CONCRETE FROM TRUCKS
- REDUCES CLEANING TIME

PH	2.76
Solvents	<4%
Alkali	None
Phosphates	None
Specific Gravity	1.02
Boiling Point	220F

CAJUN CRETE DISSOLVER

IS A LIQUID FORMULA DESIGNED TO DISSOLVE AND REMOVE MINERAL BUILD-UP FROM TOOLS, SIDING, EQUIPMENT, VEHICLES, AND MANY MORE SURFACES.

- MORTOR
- HARD LIME
- MAG CHLORIDE
- CONCRETE
- CEMENT

PH	1-5
Soluable	Complete
Alkali	None
Phosphates	None
Specific Gravity	N/A
Boiling Point	212F

606

**READY TO USE PRODUCT FORMULATED TO REMOVE
DIRT AND GRIME FROM YOUR ATV OR UTV**

- **SAFE ON PLASTIC**
- **SAFE ON VINYL**
- **LEAVES A SHINE**
- **SHINES DULL PLASTIC**
- **CLEANS HARD TO REACH AREAS**

PH	12.3
Solvents	None
Alkali	Yes
Phosphates	<3%
Specific Gravity	1.0
Boiling Point	221F

IS A BUDGET FRIENDLY ALUMINUM BRIGHTENER AND CLEANER. WILL REMOVE TOUGH SOILS FROM ALUMINUM SURFACES.

- STRIPS OXIDATION
- MINIMAL BRUSHING
- BRIGHTENS & LEAVES SATIN FINISH
- WHEEL CLEANING
- REDUCES CLEANING TIME

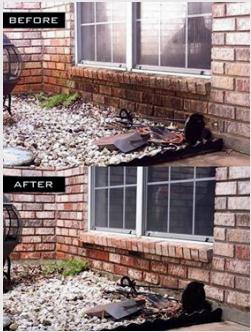

PH	2.76
Solvents	<4%
Alkali	None
Phosphates	None
Specific Gravity	1.02
Boiling Point	221F

BRICK HOUSE

RED CLAY REMOVER

IS A LIQUID FORMULA
DESIGNED TO REMOVE RED CLAY
FROM MASONRY SURFACES.

- BRICK HOMES
- CONCRETE SLABS
- STONE
- STUCCO

PH	3.2
Soluable	Complete
Alkali	None
Phosphates	None
Specific Gravity	N/A
Boiling Point	221F

**Multi-Surface
Industrial
Cleaner**

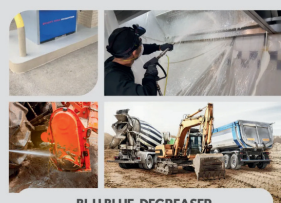

**OIL/GAS MACHINERY/EQUIPMENT
PLANTS/MILLS LAWN/GARDEN**

TRAILBRITE

FLEETWASH

BI-U BLUE DEGREASER

BI-U BLUE CONCENTRATE

CAJUN BROWN CONCENTRATE

10:1 = 11.6 oz Cajun Brown to 116.4 oz of water
5:1 = 21.3 oz Cajun Brown to 106.7 oz of water
1:1 = 64 oz Cajun Brown to 64 oz of water

Light Cleaning dilution ratios: 10:1 - 30:1
Normal Cleaning dilution ratios: 5:1 - 10:1
Heavy Cleaning dilution ratios: 1:1 - 5:1

1 Gallon of Cajun Brown can equal up to 5 Gallons once diluted (depending on application)
For light to moderate cleaning, add 1 Gal of Cajun brown to a 5 Gallon Pail, fill with water.

CAJUN KLEEN PRODUCTS

Time-Honored Formulas

A significant aspect of Cajun Kleen's identity lies in its unique product formulas. Core product formulas used in production are 30-35 years old, showcasing a rich history of tried and tested methods that have stood the test of time. This adherence to traditional formulas ensures that the essence and quality of the products remain unchanged.

A Veteran-Owned Small Business

Cajun Kleen proudly stands as a veteran-owned small business. This distinction highlights not only the entrepreneurial spirit and dedication of its owners but also their commitment to bringing the discipline, values, and integrity honed through military service into their business practices.
