

SOCIAL INCLUSION and EASTWOOD

Diamond B Farm in Mohrsville, Pennsylvania

Social Inclusion, an impressive track record-breaker and classic performer, and Eastwood, a sound and speedy son of Grade 1 Breeders' Cup Sprint winner and prominent sire Speightstown, will stand at Glenn and Becky Brok's Diamond B Farm near Mohrsville, Pa., for the 2019 breeding season.

Social Inclusion, who will stand for \$5,000 live foal, is one of the fastest sons of the exceptional stallion Pioneer of the Nile, who also sired Triple Crown winner American Pharoah. Social Inclusion and American Pharoah are his track record-setting sons.

Demonstrating pure, raw talent in his first two starts, he broke his maiden first time out by 7½ lengths, going six furlongs in 1:09.35 at Gulfstream Park. Next out in open allowance company, he won in wire-to-wire fashion, defeating future champion older horse Honor Code by 10 lengths and covering 1¼ miles in a track record 1:40.97.

Social Inclusion followed with third-place finishes in the Grade 1 Wood Memorial (won by Wicked Strong), Grade 1 Preakness Stakes (won by California Chrome), and Grade 2 Woody Stephens (won by Bayern). He completed his race career with earnings of \$450,800.

Social Inclusion relocates from John and Susan Sykes' Woodford Thoroughbreds near Ocala, Fla. He is out of the Grade 2 stakes-placed Saint Ballado mare Saint Bernadette, and a full brother to 2018 stakes-placed full brother Road to Damascus. His first foals arrived this year.

"He was a super impressive racehorse. . . we are always trying to get good sire power in Pennsylvania and I think we've succeeded in identifying a horse like him," Brok said. "He's got a great disposition.

He's a big horse, standing 16.3 hands; he's got a lot of bone, with a big hip and shoulder. He's built like a horse that can get you both speed and distance."

Eastwood was an \$800,000 sales purchase at the 2013 Fasig-Tipton summer horses of racing age sale, the second highest-price of the sale, after posting eye-catching victories in his first two starts as a 3-year-old.

The strapping chestnut's career debut was a six-furlong contest at Belmont Park, which he won by more than two lengths, followed by a gutsy allowance score at the same distance.

Later in his career, Eastwood scored impressive victories in a pair of allowance contests at Saratoga and Keeneland. Still running sound as a 7-year-old, he was runner up in the 2017 Grade 3 Los Angeles Stakes at Santa Anita Park, defeating Kentuckian and Grazen Sky. Eastwood retired from racing with earnings of \$265,545 in a dozen starts.

The first foal out of the Deputy Minister mare Fifth Avenue Ball, Eastwood was originally a \$240,000 purchase at the Keeneland November breeding stock sale. Five of the first six foals out of the mare have sold at auction for six-figures.

"Speightstown is revealing himself as a sire of sires," said Glenn Brok. "We're excited about bringing this son of Speightstown come to Pennsylvania."

Eastwood will stand for \$2,500 live foal.
