Directors' Notes

Stage Left has a strong history of great leaders; visionaries that made their mark and helped build our community. As the new Triumvirate Leadership team, this legacy could be a bit daunting to step into ...however, you all have welcomed us and shown so much support! THANK YOU!

In these turbulent times, art provides inspiration, respite, and something positive to put your efforts and energy towards...and because of our amazing donors and patrons, we get to MAKE AND SHARE art!

This August we are focusing on sharing our appreciation; appreciation for our patrons, our sponsors, and the opportunity to be a place where great art begins.

We are pleased to share TWO special events at half the rate of standard tickets for patrons to enjoy, and will be sharing some announcements, promotions & updates from the Mondial du Theatre Festival in Monaco!

We are just a phone call or email away should you have any questions.

With gratitude- Kearney, Dahveed & Moss
