

Course Update Policy

COURSE UPDATE POLICY.

All course documentation contains the most recent publication, revision or review date. All courses are revised as soon as feasible following changes to relative codes, laws, rulings, decisions, interpretations, etc. Courses in subjects that undergo frequent changes are reviewed by a subject matter expert at least once a year. All other courses are reviewed every two (2) years. For group live and group Internet based programs, the revision date is the date of the event.
