## About Tom and the Broken Hearts

Whether it's the anthemic singalongs like "American Girl" and "Free Fallin'," the bluesy swagger of "Mary Jane's Last Dance," or the heartfelt introspection of "Wildflowers," "Tom and The Broken Hearts" delivers them all with passion and precision. They capture the spirit and the feeling of a genuine Tom Petty and The Heartbreakers performance. For any fan who misses seeing the real deal, this band offers a truly authentic and exhilarating tribute. Tom Moore replicates Tom Petty's unique vocal style and conversational phrasing. Above all, this band is fun!
