Dear Judge Richard Luce, I Alberta
McElroy is asking you to please give
Sharrad Holmes another chance at life.
He is a very good, and mannerable
young man. He comes over to my home
which is just 2 homes down from
his residence, and helps me out doing
things around my house that I cannot
do. Such as: he puts my Christmas lights
up for me, he mows my lawn and he
also opens jars and things if im too
weak to do it. He is always helping
others if he can. He is an excellent
father to his kids, his kids enjoys
playing with my granddaughter. I believe
his son lives at home with him. He
loves his kids very much. Judge Luce
please consider Sharrad Holmes another
chance.

Sincerely

Alberta McElroy

Dear Judge Richard L. Luke

My name is Shonna Smith and i'm writing you on behalf of Sharrod Holmes let me start off by saying that Sharrod is a stand up respectable man and father. Sharrod and I have a son together and from day one he has been apart of his sons life. Sharrod is a great father to all of his kids not just mine. He make sure that he spends time with all his kids on a daily basis. I do not have to ask him to take care of our son financially he does it on his own. I have other children that are not his and their father is not apart of their life. Without asking Sharrod he steps up to the plate and took responsibility for them to. Sharrod is also

a very patient person
I have never seen a
person who could keep
their cool as well as
Sharrod does. No matter
what a kid do he never
raises his voice. He is the
person who teaches the kids
~~cor~~ right from wrong by
sitting them down and
talking to them in a calm
voice. I'm begging the
court to please have mercy
with Sharrod. If Sharrod
goes to jail I don't know
what our children will do.
I am asking you not to
make our children grow-up
without a wonderful father
figure. And not to make me
a single parent.

Sincerely

Ahonna A. A. A.

DEAR Judge Luce,
I HAVE BEEN A NEET DO
NEIGHBOR OF SHROD FOR THE
PAST 5 YEARS. DURING THAT
TIME, I HAVE GOTTEN TO KNOW
THIS YOUNG MAN, I HAVE HA
NUMEROUS CONVERSATIONS
WITH HIM. OVER TIME, HE
HAS GAINED MY RESPECT AS A
DECENT PERSON. I HAVE SEEN
HIM MENTORING SEVERAL KIDS
IN THE NEIGHBORHOOD, WHICH
IS SOMETHING THAT WE CAN USE
MORE OF. HE HAS HELPED

My name is Clarence Knight.

I have been a Resident in the community where Sherrod lives for the last 17 yrs.

I met this young man and his family when he was a young teen. I watched him grow up and endure many things that all teens go through. I can say I observed as he aged that he displayed much courage and determination to make it in life.

He, like all you men, has his faults but
I admire his resolve to continue living
as best he knows how and expect direction
from other men as myself to help and
encourage him. He has an unusual humility
which causes me to believe he's open to
counsel from more experienced people who can
add to his determination to succeed as a
member of society. He and all of us need
the mercy that is granted by the Lord

Sincerely,
Clarence Knight

To whom it may concern,

My Name is Mary Harward
and I live at the above address.
I have know Shorrod Holmes for
years, he lived with his
mother on the street that I
live on. Shorrod is a very polite
and respectful young man. I've
never known him to be a troublesome
child or young man. When older
people are walking down our street
and the neighborhood kids are talking
nasty or if they are cursing
Sharrod would tell them they need
to respect us and not say things
like that. I'm asking you to consider
these things at his sentencing.

Sincerely,
Mary Harward

Giving honor to my Lord

heart and love to help people young
or old it don't matter to him we all
have come shout by the glory of God
have mercy upon my son please. Sharrod
is a great father to his children ^{and} other kids.
if my son had a lot of money he will
feed the homeless and clothes the
naked. which he have done with the
little that he has had. over

Please Give my son another
Chance in this lifetime.

To whom it may concern;

Sharrod Holmes is a positive leader and influence within the dorm. While maintaining the cleanliness of the compound, he also helps to maintain the dorm as well.

Anytime anyone needs spiritual advice or emotional advice his door is always open to them.

In Galatians 5:25-26

If we live in the Spirit, let us also walk in the Spirit. Let us not be desirous of vain glory, provoking one another, envying one another.

This verse fits him perfectly. He is always spreading the word and keeping the peace within the dorm. Every community has a leader that stands out, that's not afraid to step up to the plate, that's willing to go above and beyond what is normally required. I'm thankful for the chance I received to meet and get to know him as a brother and friend.

My name is Ray Jackson. I have known and have been blessed to be around Mr. Sharron D. Holmes, for the past two years. Here at Liberty C.I.

I say a blessing because, here is a young man that I've seen who's spirit is strong! Who has not allowed his situation of being in prison to dictate his character. Well and well I've seen him place community over himself, he is a very strong leader. So it was "no" surprise to learn about the leadership rolls and community building Mr. Holmes was involved with, while out in the free world.

Mr. Sharron D. Holmes continues to be a pillar of righteousness even for this community. So please believe me when I say this, taking a chance in Mr. Holmes wouldn't be a chance at all... It would be the right thing to do!

Sincerely,

Ray Jackson

About: Sharad Holmes

When it comes to describing this Man, this Lion, this Chief; I must first let it be known that in any way will I batter up his persona. He doesn't need it. Everyday dude is encouraging to anybody that thought they were lost.

"Come from Nothing, still ain't got nothing, but, Rich. From the time I met Brah, I knew he was strictly for right, and Righteous. "Firm yet Firm" and it means being and standing on principle and all around Moral. Dude has a quality...

This is a truly Great Man in his own way. Live, seen him in action.

To Whom it May Concern,

I am writting this on Sharrod D. Holmes behalf. I do not know who will read this, but Mr. Sharrod D. Holmes is a good man and I know and feel that he should be free. I do not know his situation, but I do know that he is a God fearing man who speaks with a passion and has gained an understanding and has a I can mindset. I have only known him for three months, but the person he is stands out. For what I see he has a good heart and a well mind; that means his spirit is one with the lord. A man like this should be free on the streets because God's love is upon him. Just knowing this, I believe he is innocent. But if he is not I believe he deserves a second chance at freedom because he is older and wiser and his mind is different. Don't judge him off his past, the new him is different and ready for a shot at a new life. We have spoken about some things and had a heart-to-heart conversation about somethings, about God, belief and faith. He is a good brother to have to go to about life situations. When I first met this man of God, he helped me with a problem, with me being a ~~good~~ young man, I needed guidance so he helped me and he did not know me at all. And he didn't judge me. He acted on his true intentions. I feel that he acted as a vessal for God. Thank you for reading this letter and know that by helping Sharrod D. Holmes,

To whom this may concern.

I write this letter on the basis of Inmate Sharrod D. Holmes, DC # R30146. I Kevin Griffin DC # J42730 is a inmate at Liberty C.I. were I met inmate Holmes. Holmes had alot of people who liked him. This I noticed before we were ever introduce. So beyond introduction I see why every body liked him. Holmes is a influential person. Im alot younger then Holmes who been incarcerated since 2010 I been in here since I was 16 in 3 now and dont get out untill Im almost 40. I lost my father at 5 and mother at 10. I never had a role model and never cared for one either. But I wouldnt mind to call inmate Holmes my role model. He has taught me for the time I've been ~~around~~ around him. He taught me the importance of love loyalty family. He helped me spiritual he showed me a direction and productive and positive direction. I use to go to him for advice knowledge and wisdom. ~~Inmate~~ Inmate Holmes is a revived man whatever he did to get put in this I assure you he is no longer that same individual. He now is a man that needs to be free because he posses the power to get the attention of the youth. US youth will listen to a man like him after a life of heartach and turmoil. So I say yes Sharrod D. Holmes deserve a second chance he show every day he can maintain. I pray and hope my words be held in consideration Thank you for your time.

God Bless.

Sharrord D. Holmes impact in Florida

Department of Corrections has changed many lives including my own. Which consist of a awakening toward the positive outlooks of life behind bars. By most part its easy to lose all hope and faith when someone like myself has a life sentence without being eligible for parole. Sharrord D. Holmes has blessed my life in his own unique way on how he approaches someone like myself and others who are in the same situation. But it is easy to speak words that have no meaning or structure and if anyone was to listen to Mr. Holmes for what words should mean that have hope and faith then smile. Not many can could look you in the eye or even have positive words that uplift your spirit but Mr. Holmes use's one word that has given me hope and faith; BLEESING. Simplicity by a man who found how to reach and touch my heart and soul has structure to build communities that consist of hope, faith and love...
