## Welcome to Juliano's

Our banquet facility consists of 3 private rooms that will accommodate 48 people individually or one large room that will accommodate up to 96 people. The minimum room requirement is 20 people for an individual room except for events on Saturday or Sunday Day which require a minimum of 30 people. We require a minimum of 60 people for our larger room. Guests can choose from round or eight-foot banquet tables, as well as, buffet, plated, or family style service. Seating capacity will vary depending on your selections. Rooms are complementary for parties with sufficient head counts. In the even that guests have lower than minimum head count we will work with you and try to minimize any fees. **Additionally, we reserve the right to assign rooms according to party size.**

A deposit by cash, check, or credit card is required to reserve a room (\$100 for small, \$200 for large). The deposit will be deducted from your bill the day of your party. One half the deposit is refundable only if you give advance cancellation notice, and we are able to re-book the room with a party of equal or greater number.

**Banquet room or catering final payments are by personal check or cash. Credit & debit cards are subject to a 3% credit card fee.**

Unless special arrangements are made, your final menu should be selected from our list and called in ten days before your event. The banquet rooms will be available one hour prior to the guest arrival time for decorating. All decorating must be limited to the tables, with nothing on the walls or ceiling. **Sorry, no confetti allowed.** White linen table clothes & napkins are provided at no additional charge. **Only snacks (chips-pretzel-candy) Special occasion cakes and cupcakes are allowed to be brought in. All other items are subject to a service fee. Please ask for details.**

A least two days prior to the date of the event, a final count of the number of persons expected to attend must be provided. This shall become the "guaranteed number". **All charges will be based on this number.** If the number of guests attending the event exceeds the guaranteed number we reserve the right to substitute other available food and services as may be necessary. Our menu choices are listed. However, our desire is to accommodate your needs so we will be happy to work with you to choose an alternate menu. Please call us at any time to help make your special event a success.
