

To the Citizens of Sauk County,

I became professionally acquainted with Matthew Tate during his time with the Minocqua Police Department.

On multiple occasions, in my former capacity as an Oneida County Circuit Court Judge, I assessed his testimony in court, reviewed his written reports, and examined audio-video recordings of his actions in the field. Based on these observations, I have concluded that Matthew Tate knows the law, understands people, and applies a balanced approach to law enforcement. In my judgment, he would provide sound leadership to the Sauk County Sheriff's Department.

I encourage all citizens of Sauk County to vote for Matthew Tate for Sheriff.

Sincerely,

Hon. Michael H. Bloom
Oneida County Circuit Court (retired)
