This +/-3,450 SF professional office building features a highly functional layout ideal for administrative, service, or operational businesses. The suite includes 8 private offices, a welcoming reception area, a dedicated conference room, and 2 bathrooms, providing a turnkey environment for teams of various sizes.

Ample onsite parking accommodates with additional parking area available for equipment, or company vehicles, making it an excellent choice for firms with field staff or service operations. Positioned with convenient access to regional corridors, this property combines strong usability with practical outdoor functionality. High visibility signage available at street entrance.

02

PROPERTY OVERVIEW

This versatile office space is well-suited for a wide range of professional and service-oriented businesses, including wellness practices, administrative offices, construction or contractor operations, dispatch centers, counseling services, or any business needing both private offices and outdoor fleet or equipment parking. Its efficient floor plan and multiple office suites support teams that require confidentiality, collaborative areas, and organized workflow. Conveniently located just minutes from Highway 70, the property offers excellent regional connectivity with quick access to Marysville, Yuba City, and Chico, as well as direct routes toward Sacramento. This prime location enhances accessibility for employees, clients, and service vehicles alike, making it an ideal operational hub for growing businesses.

03

KEY FEATURES

- Two Bathrooms conveniently positioned for staff and client use
- Three Separate Entries offering privacy, flexible circulation, and the potential for multi-department or multi-user configurations
- Generous Natural Light from numerous windows along both sides of the building
- Dedicated Reception Area providing a professional entry experience for clients and guests
- Conference Room ideal for team meetings, client consultations, or training
- Multiple Workrooms & Storage Areas supporting administrative workflow and equipment organization

04

TERMS

Ownership offers flexible lease terms tailored to meet the needs of a wide range of professional or service-based users. Tenant improvements may be negotiated to customize interior layout, office finishes, or operational requirements, providing the opportunity to create a space that aligns with your business model.

The property also includes usable exterior space that can accommodate parking, equipment staging, or company vehicles, offering added functionality for businesses with field crews or logistics needs.

Competitive rates and adaptable terms make this an excellent option for tenants seeking both office efficiency and outdoor operational capability.
