

DIVISION 4. COMMERCIAL ZONES

CHAPTER 9-400 COMMERCIAL ZONES: INTENT AND ORGANIZATION

9-400.1 TITLE AND INTENT.

Division 4 constitutes the commercial zones. The intent of this Division is to prescribe use, lot, and structure regulations for commercial zones within San Joaquin County, consistent with the Community Development portion of the General Plan. The names and intents of the commercial zones are as follows:

- (a) **C-L Zone.** The Limited Commercial (C-L) Zone is intended to provide for very small commercial areas that offer a limited selection of convenience goods and services and that serve a portion of an urban neighborhood. This zone is intended to provide for limited commercial areas in residential and industrial land use designations of the General Plan, in accordance with Plan policies.
- (b) **C-N Zone.** The Neighborhood Commercial (C-N) Zone is intended to provide for the development of small, localized retail and service businesses which serve the immediate, surrounding residential neighborhood of three thousand (3,000) to five thousand (5,000) people. This zone is intended to implement the Neighborhood Commercial land use designation of the General Plan.
- (c) **C-C Zone.** The Community Commercial (C-C) Zone is intended to provide for the development, within central business districts or extensive commercial areas, of a full range of retail and service establishments, allowing comparison shopping and providing goods and services necessary to supply the general or commercial needs of urban communities or regional markets. This zone is intended to implement the Community Commercial land use designation of the General Plan.
- (d) **C-O Zone.** The Office Commercial (C-O) Zone is intended to accommodate professional and other offices located adjacent to Medium High and High Density Residential Zones or commercial zones where professional services would most likely find demand. This zone is intended to implement the Office Commercial land use designation of the General Plan.
- (e) **C-G Zone.** The General Commercial (C-G) Zone is intended to provide for commercial areas that offer a wide variety of specialized retail and service uses which are normally developed as a separate individual entity rather than as part of a cluster of uses, serve urban communities or regional markets, require large amounts of land, and which may necessitate special purpose trips by consumers. This zone is intended to implement the General Commercial land use designation of the General Plan.
- (f) **C-FS Zone.** The Freeway Service Commercial (C-FS) Zone is intended to provide for commercial uses adjacent to full freeway interchanges oriented almost exclusively to serve the needs of the highway traveler. The concurrent filing of a Special Purpose Plan may be required for all parcels to be zoned C-FS. This zone is intended to implement the Freeway Service land use designation of the General Plan.
- (g) **C-RS Zone.** The Rural Service Commercial (C-RS) Zone is intended to provide for retail and service uses within rural communities that are frequently required by rural residents and the surrounding agricultural community. The zone envisions a mix of retail uses, professional offices, and commercial services. This zone is intended to implement the Rural Service Commercial land use designation of the General Plan.
- (h) **C-X Zone.** The Crossroads Commercial (C-X) Zone is intended to provide for a limited variety of retail and service uses and agriculturally related uses at specific intersections to serve rural residents outside

of designated urban and rural communities. This zone is intended to provide for limited commercial areas in an agricultural land use designation of the General Plan, in accordance with Plan policies.

- (i) **C-R Zone.** The Commercial Recreation (C-R) Zone is intended to provide areas for major recreation oriented commercial activities and associated facilities. The concurrent filing of a Special Purpose Plan may be required for all parcels to be zoned C-R. This zone is intended to implement the Commercial Recreation land use designation of the General Plan.
