**“Another Annual Meeting”**

I think I have heard every year that our annual meeting keeps getting shorter. Thankfully this is followed by joyful relief. In the almost three years my family has spent here we have seen growth. Yes, we mean numerically, but more so we have observed passion for passing on what we have been given already to who will follow. Of course, we cannot thank the stalwarts of the church enough for their efforts, but I write today celebrating those who have found a passion again for faith and our fellowship. New people are sitting in the pews with people who have been there for years. We have people who have never served on council before now currently participating in leadership. Our new Vice President of the PV council may be one of the youngest yet.

Others are also moving away in the near future and more work will appear for the next person to do. I cannot thank Troy Shirley enough for the role he has not only played for our church, but for me in my own personal development. His family will be missed as they move on to another adventure in life. With this we must also thank Debbi Gage immensely for all the work she has done. A major discussion of our new council's first meeting was filling the gap left by this wonderful woman. She shoveled, mowed, cleaned, and helped take care of things for us in the education building. **We are now searching for a person to fulfill her duties and are listing the position first to our membership then will open to the general public for applications. A committee within council has been formed to take care of the details . Please contact Pastor Drew or a council member if you are interested or know someone qualified.**

Again, our annual meeting this year was much easier than I anticipated. There were no foreseeable conflicts, but I always worry and want to make sure we are taking care of what we can. Our committees have also stepped up tremendously as they provided us with great reports. Knowing what our budget contains and how our giving is being used is vital to the health and operation of our congregation. Lyn Carlson even mentioned he may attempt to go for 40 years as our treasurer.... Thank you also to Brett Peters for joining in on the review of the Treasurer's books this year.

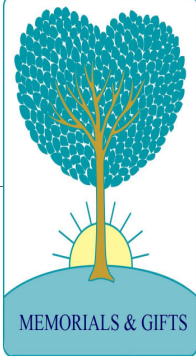

Linda O'Brien also gave an excellent report summarizing our benevolence giving. Changes have been made to focus our efforts intentionally. The money that goes out from our congregation attempts to be split into thirds, one-third to local, then national, and last internationally. Please take a look at what this committee has put together and learn about the organizations we support outside our church walls. This also goes for our foundation, which also made great changes to their giving this year, and even paid for a student's seminary tuition for a year at a new school in India.

As for what is coming, the calendar is filling quickly. Keep an eye on your Logos for important dates and announcements. **(SEE PAGE 5 for starters!)** The lutefisk supper is closing in. Ash Wednesday, Lent, Holy Week, and Easter will soon be arriving. I would also like to take the confirmation students on a retreat when they are ready.

Finally, my family will be taking vacation February 10<sup>th</sup> -16<sup>th</sup> (4 week days and 1 Sunday). We also hope to take a more extended trip later (tbd). Concerning pulpit supply, with the Duffey family moving, this causes us to search for another pastor or option for when I am gone. There are several close by with their own parishes, but we may need to call as far as or further than Great Falls. We may also need to consider more innovative ideas. Just like Wednesday night, we are growing in ways that will give us opportunity. With more than 50 people gathering, my intention will be to eventually host a contemporary service in conjunction with our youth programming. This would be designed to bring the whole family, and congregation, to eat, fellowship, worship, and learn together.

Most of all, as we continue into another year, may the work we do be according to God's will. Let what we do proclaim no one other than Jesus Christ. We pray that we are empowered to give in the way we have received. Our God has been generous with his gifts and I cannot wait to see what is in store for us. Thank you to all those who are serving, continuing, returning, or beginning in ministry with us, and to God only is the glory. Amen.

In Christ Always, Pastor Drew Nelson

Lent, the church-year season that begins on Ash Wednesday, is a time of penitence and spiritual renewal. Some people give up a luxury or vice during Lent as a form of self-denial; others undertake a project that benefits others. The point isn't to denigrate ourselves or to see how much we can do without. Instead, Lent helps us reflect on Jesus' death. As Timothy Keller writes in *The Reason for God*: "The Christian Gospel is that I am so flawed that Jesus had to die for me, yet I am so loved and valued that Jesus was glad to die for me. This leads to deep humility and deep confidence at the same time. It undermines both swaggering and sniveling. I cannot feel superior to anyone, and yet I have nothing to prove to anyone. I do not think more of myself nor less of myself. Instead, I think of myself less."

**FALL BAZAAR is COMING!! Friday, Nov. 6th**

**Get started now thinking about you want to bring!**

***He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. You will be enriched in every way to be generous in every***

***way, which through us will produce thanksgiving to God. 2 Cor. 9:10-11*** In this brief passage of scripture, Paul gives us several important lessons concerning our giving. First, it is God who supplies our needs. God gives us both seed to sow and bread for food. Second, multiplication only takes place in our lives when we sow the seed that God gives us.

In the natural world any farmer knows that every crop harvest has two purposes. One is food and the other is seed that should be used to produce a crop for next year.

In the area of our finances, these two purposed are still relevant for us today.

1. God gives us financial resources to enjoy; that is bread for food.
2. God gives us financial resources for the purpose of sowing; that is seed for sowing in order that we receive our next harvest.

It is only when we sow that God promises multiplication. Therefore, as believers we have the wonderful opportunity to enjoy a portion of God's resources in our own lives; and also to sow a portion of these resources into the lives of others.

When we are obedient, then our resources are continually multiplied, and at the same time the church and others are blessed by our giving.
