

The price of gravesites is set at \$125.00 per gravesite for residents and members of the family living within the household at the time of purchase. If a resident has moved out of town due to health reasons, they will not have to pay non resident prices. This will be at the discretion of the Township Trustees. Non-resident price is set at \$600.00 per gravesite. No purchase is final until approved by the Fiscal Officer.

With the exception of non-resident purchases, it is the policy of the Township to solely limit plots to those residents and or the legal heirs. Sites purchased by residents shall not be used by or passed on to friends, acquaintances or persons who are not legal heirs.

A business, corporation, or any other party for resale shall purchase no plot.

Unused plots may not be resold except to the Township and payment by the Township will be at the rate at the time the plot was purchased.

All gravesite and cemetery fees shall be paid in full within 30 days of purchase or service. The Chapel will be used for all services except by prior agreement. All animal burials are prohibited. There will be no doubles in grace sites, except for ashes. Multiple burials will be at the discretion of the Trustees. The Township will make no modifications to headstones. Rules posted in Cemetery will continue to be in force.
