

Elevate MedCare, Inc.

Elevate MedCare, Inc. is a trusted provider of Enhanced Care Case Management, Care Coordination, Community Supports, and Transitional Healthcare Services, distinguished by decades of clinical expertise and a mission-driven approach to improving patient outcomes.

Organization Overview

Elevate MedCare, Inc., is a **leading healthcare services organization** dedicated to alleviating the burden on hospitals, insurers, and providers through streamlined, compassionate solutions. The company operates across **California, Ohio, Florida, and Nevada**, partnering with healthcare systems and insurance networks to deliver coordinated, cost-effective care.

Background & Experience

Elevate MedCare delivers expert care management and community services for all populations. Known for its patient-centered approach and whole-person care, the organization is a trusted partner in high-quality healthcare.

Our leadership and clinical team bring decades of specialized expertise to the work. Elevate MedCare's **Enhanced Care Management and Community Services Leader offers more than 15 years of experience** guiding high-risk individuals through medical, behavioral, and social service systems. Complementing this is a **Nurse Practitioner with over 25 years of clinical practice**, whose deep knowledge and hands-on leadership ensure every patient receives safe, coordinated, and evidence-based care. Together, this breadth of experience enables Elevate MedCare to support individuals transitioning from hospitals, navigating long-term housing needs, or managing ongoing care challenges—always with a focus on stability, independence, and improved health outcomes.

Qualifications

Elevate MedCare's qualifications are rooted in:

- **Decades of clinical practice** led by seasoned professionals.
- **Licensing and compliance standards** that meet federal and state healthcare requirements.
- **Proven partnerships** with hospitals, insurers, and community organizations.
- A track record of **reducing hospital readmissions** and improving patient well-being through transitional care programs.

Elevate MedCare, Inc.

Services Provided

Elevate MedCare, Inc., offers a **comprehensive suite of services** designed to support patients across the continuum of care:

- **Enhanced Care Management** – Streamlined oversight of complex medical needs.
- **Care Coordination & Community Supports** – Connecting patients with providers, resources, and support systems.
- **Care Transitions** – Ensuring safe, effective movement between hospital, home, and community settings.
- **HomeMeds / Medication Reconciliation** – Reviewing and managing medications to prevent adverse drug events.
- **Housing Tenancy & Sustaining Services** – Helping patients secure and maintain stable housing.
- **Short-Term Post-Hospitalization Housing** – Providing temporary housing solutions during recovery.
- **Recuperative Care & Respite Services** – Offering safe environments for healing and caregiver relief.
- **Day Habilitation Programs** – Supporting daily living skills and community integration.
- **Nursing Facility Transition** – Assisting patients in moving from institutional care to independent living.
- **Personal Care & Homemaker Services** – Delivering in-home support for daily activities.
- **Environmental Accessibility Adaptations** – Modifying living spaces to enhance safety and independence.

Summary

With a **mission to elevate care through compassion, expertise, and innovation**, Elevate MedCare, Inc. stands out as a trusted partner in the healthcare industry. Its combination of **over 25 years of clinical nursing experience**, robust case management programs, and specialized transitional services ensures that patients receive holistic, coordinated support that improves outcomes while reducing costs for providers and insurers.
