Smooth Transitions to Assisted Living

Elevate MedCare, Inc. is Your Partner in Care

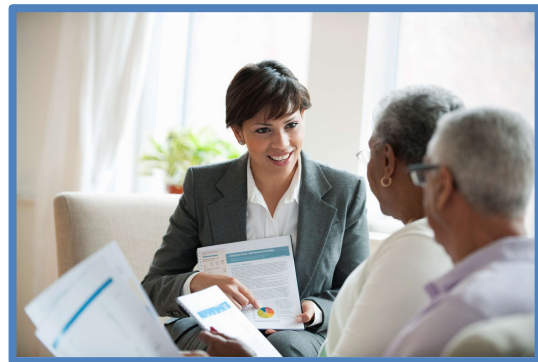

Moving from hospital or skilled nursing to assisted living can feel overwhelming. Elevate MedCare coordinates every detail so you or your loved one can focus on healing and settling into a new home.

Why Choose Elevate MedCare for Your Transition?

- **Personalized Transition Planning:** We assess medical, social, and financial needs to match you with the right assisted living community.
- **Clinical Coordination:** Our nurses review medications, transfer orders, and communicate directly with your new care team for a safe handoff.
- **Housing Navigation:** We tour facilities with you, verify licensing, compare services, and negotiate move-in timelines.
- **Benefits & Paperwork Support:** Assistance with VA Aid & Attendance, long-term care insurance, and Medicaid waiver applications.
- **30-Day Post-Move Check-Ins:** We follow up to ensure medications are correct, appointments are scheduled, and you're adjusting well.

We Help:

- Seniors discharging from hospitals or rehab
- Families managing care from a distance
- Individuals needing more daily support but not skilled nursing
- Anyone feeling lost in the senior living process

Our 4-Step Transition Process

| Step | What We Do |
|-----------------------------|---|
| 1. Free Consultation | Discuss needs, budget, location preferences, and care level. No cost, no obligation. |
| 2. Customized Plan | We identify 3-5 vetted assisted living options and schedule tours within 72 hours. |
| 3. Coordinated Move | We manage medical records, prescriptions, transportation, and communicate with all providers. |
| 4. Follow-Up Support | We check in at 48 hours, 1 week, and 30 days to resolve any issues. |

What Families Say

"Elevate MedCare took the stress out of finding a place for my mom. They handled everything and she's thriving now." – M. Johnson, Los Angeles
