

Fifth Sunday of Easter

Relics of St. Bernadette will visit the Cathedral on May 29th

The Diocese of Syracuse will host the relics of St. Bernadette of Lourdes Saturday, May 28—Tuesday, May 31.

Three parishes including the Cathedral, will host the relics.

They will arrive at the Cathedral of the Immaculate Conception on Sunday, May 29.

The relics will arrive at Holy Family Church in Fairmount late in the day on Saturday, May 28. On Monday, May 30, they will be at Sacred Heart Parish in Cicero. They will then go back to Holy Family on Tuesday, May 31.

This will be the first time the relics of Saint Bernadette will be in the United States and part of a tour that will run through August. Central New York and New York City are the only New York State sites on the tour.

Responding to the invitation of many, including Bishop Lucia, Sanctuary of Our Lady of Lourdes in France organized the pilgrimage in partnership with North American Lourdes Volunteers based in Syracuse, the U.S. Conference of Catholic Bishops, Hospitalite' of Miami and the Order of Malta.

Guardian Angel Society celebrates 25 years of service!!!

“Serving others both helps those in need and creates contented hearts in those who are serving.”
Fr. Joseph Champlin

Those words, spoken by Fr. Champlin, inspire the staff to carry on his vision. Years after he founded the Guardian Angel Society and 13 years after his death, the staff, Board of Directors and volunteers work diligently each day to continue his mission of providing support and access to a faith-based education.

In 1997 he founded the Guardian Angel Society, a not-for-profit organization dedicated to provide tuition assistance, mentoring and tutoring services to help build a path to success for students from diverse cultural and religious backgrounds. “In the beginning it as Father’s dream to have a mentor for every student at Cathedral School,” said Sarah Ioele, executive director. Fast forward to 2006 when Cathedral School merged with Our Lady of Pompei School and became known as Cathedral Academy at Pompei (CAP).

Many more successful years to the Guardian Angel Society and thank you for all that you do!!

P.S. This is an excerpt from the recent Catholic Sun edition. So if you do not receive the Catholic Sun you are missing out on some wonderful stories.

(This one being connected to our own school!!)

FAMILY PERSPECTIVE
(from the Office of Family Life Education)

In today's Gospel Jesus tells us: "Love one another." Love holds a family together. It is not what a family does which make it outstanding, rather it is what it has, love for one another.

How many of us remember wearing a Scapular? In this month of May we honor Mary, the Blessed Mother. If you haven't been invested in the scapular, Mary's month is a good time to do it. A scapular is basically a mini religious

habit for the laity, an outward symbol of your consecration to the Blessed Mother, that you wear daily underneath your clothes.

The original and most common scapular is the **Brown Scapular of Our Lady of Mt. Carmel** which has special prayers and graces associated with it, namely the famous "Scapular Promise" that those who die wearing Our Lady's scapular will not spend eternity in hell. Most scapulars come with the proper prayer for investment (or enrollment) that the priest prays for you while blessing the scapular; if not, you can find it at: <https://www.catholiccompany.com/magazine/brown-scapular-our-lady-carmel-5855>.

Another way to increase your devotion to the Blessed Mother in this month of May is simply by reading more about her. There is no shortage of great **Catholic books on Mary** visit: <https://www.catholiccompany.com/mary-books-c168/> to find books that unpack the mysteries of her life, virtues and perfect union with her son, Jesus, and the treasures of grace this unfolds in the life of every Christian who turns to her in faith. Make a goal to read one this month!!
