

## Thirteenth Sunday in Ordinary Time

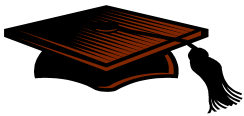

Dear Parishioners,

As we just wrapped up another school year, I would ask for the charity of your prayers for all of our young people in religious education and in our parish school, Cathedral Academy at Pompei. Pray that they will have a blessed and safe summer and will return to the classroom in September ready and eager to learn more about the Lord and His Church. Pray also for Mary Beth Meade, our DRE; Tina Seymour, our Principal; and all of our catechists and teachers, that they may use these months to refresh and renew themselves for their vital ministries.

I hope people are strong enough in the practice of the faith to realize that being on “vacation” from religious education or school does not mean being on “vacation” from attending Sunday Mass. Indeed, even when we go away on vacation we should be seeking out a Catholic Church in which to attend the Holy Sacrifice of the Mass. If we would go out of our way to find some exciting tourist attraction, shouldn't we be willing to make a sacrifice to give time to the Lord and to worship Him?

You are all in my prayers; please keep me in yours.

In Christ's Peace,  
Fr. Caruso

### Reasons to Be An Active Church Member

**Being an active church member helps strengthen your commitment.**

In order to better follow Christ, it's important to stay committed to your faith and your fellow Christians. By being an active member of the church, you strengthen your bond with both Christ and other church members, as well as potential members.

**Being active in your church helps you grow as a person.**

Through active church membership, you'll have the opportunity to share in Christ's love with others. The church will help you:

- \* Come to better understand yourself as you continue to learn, grow and mature as a Christian.
- \* Base your actions and goals on the guidance, support and inspiration that Christ's teachings and the church provide.
- \* Work with others in an atmosphere of caring, giving and support.

“Do your best to present yourself to God as one approved by him, a worker who has no need to be ashamed, rightly explaining the word of truth.”

(2 Timothy 2:15)

**Church provides a sense of belonging and fellowship.**

Church members share a common heritage and centuries of history and tradition. When Christians worship and work together, they unite to share in the love, hope and strength that comes from serving God. This helps enrich your relationships by sharing the joy of Christ's love with other church members. Also, makes you feel the joy of being a part of – and contributing to – a faith community.

**Active church memberships can give you a sense of fulfillment.**

As a Christian, you are participating in a faith community with a special mission and purpose — to minister to other church members and to those in need.

**You can help fulfill Christ's mission in the world.**

The church provides knowledge and guidance and also helps translate Christ's example into modern life. By using these guides, you can strive to live your life as Jesus would.

 PACE CNY is particularly helpful to families desiring to keep their aging loved ones at home. At two Loretto PACE Centers (one in North Syracuse and one in East Syracuse) and their own place of residence, participants receive the home care, medical, rehabilitative, social, transportation, and support services needed to remain at home.

**FAMILY PERSPECTIVE**

(from the Office of Family Life Education)

Today's Gospel reminds us once we set our "hand to the plow" of parenting and marriage, "We cannot look back." This is what commitment means: we have said YES to what was, what is and to what can be.

You can also support the concert and our Parish efforts in the way of sponsorships, ads, and tributes, (business and or personal). Many have already done this as well...and we are so grateful! They will all be listed in our program booklet as well as sponsorship signage that will be displayed before during and after the concert. It's certainly a great way to get your message out to 100's of attendees and supporters and you will generously be contributing as well!!!
