Seventeenth Sunday in Ordinary Time

A Message from the Pastor

“The hand of the Lord feeds us; he answers all our needs.” (Psalm 145)

Last weekend in Indianapolis IN, the ongoing Eucharistic Revival in our country was on full display as nearly 60,000 Catholics came together, united precisely by how the Lord fulfills these words of Psalm 145. It is true, the hand of the Lord continues to feed us each and every day. Yet God doesn't just feed us metaphorically or symbolically, but rather in the Eucharist we are fed with the real presence of Jesus' body, blood, soul, and divinity. His very life is made substantially present and it alone has the power to transform us that we might *become* who we consume.

It's possible we are unfamiliar with the Eucharistic Revival! What is it? Why do we need it? Why now? I'd invite you to consider this reflection which is at the heart of the Revival...it speaks to the purpose of our life, the purpose for which God created us in love and for love and for life with Him. Because we are human we need to regularly be renewed by the truths of our faith that define us, and when this relationship is brought back to the forefront of our lives we cannot help but become witnesses to the Gospel in the world; Good News that the world desperately needs:

“You are not an accident. The God who created the universe, who set the moon and stars in place, loves YOU and chose YOU, even before the world was formed. He knows you better than you know yourself, and he loves you simply because you are YOU. There are no conditions on his love: at every moment you are infinitely loved by him. You are dear to him.

The original harmony between us and God was shattered when sin entered the world. Even though God's understanding is beyond human reason, Adam and Eve refused to trust his omniscience and took it upon themselves to be their own gods, choosing themselves above their creator. We continue to turn our back on God, selfishly distorting the good gifts he has given us. Our sin has torn at the very fabric of creation, allowing disease, darkness, and death to inundate our world. Our relationship with God has been ruptured. Refusing to follow God's plan of love, we have been enslaved to sin.

God loves us so much that he became man and died for us. Christ outstretched his arms and submitted to death to reconcile us to his Father. Death and sin do not have the final word: Christ's Resurrection opens for us the doors to new life in him. Christ's sacrifice and victory transcends space and time, and it is made present on the altar at every Mass! **No one is excluded from his offer of love and mercy**, no matter how great a sinner we might be! This includes YOU.

Jesus has opened the door for you, and through his Church, he invites you into a personal relationship with God, but God won't force you to choose him. Christ comes to us in the Eucharist, offering himself to us: Body and Blood, Soul and Divinity. He nourishes us, offering himself as “our daily bread.” It is easy for us to overlook this extraordinary gift. Even people who go to Mass each Sunday forget that Jesus is not merely symbolically present, but truly and substantially. It's time for us to entrust ourselves to the One who gave his life for us and invites us to encounter him in the Eucharist. It's time for a Eucharistic Revival.”

The Holy Name Society funded educational and entertaining programs at Our Lady of Pompei & aims to support its members in their social and familial lives.
