

The Parrot Heads of North Carolina (PHofNC), a 501c7 not-for-profit organization, is officially chartered with Parrot Heads in Paradise (PHiP), a 501c3 organization, the Arizona based headquarters of the National Jimmy Buffett Parrot Heads Clubs Association.

PHofNC was created to promote social activities and friendship among people with similar interests, including enjoyment of the tropical spirit of Jimmy Buffett's music.

In the process of making new PHriends and having PHun, we believe in leaving something positive behind. We encourage our members to participate in a variety of volunteer efforts in our local, regional and national community for social and environmental causes.

Since 2002, Parrot Head Clubs collectively raised and/or donated over \$38 million and over 4 million volunteer hours to a long list of charitable organizations, Philanthropic and environmental groups.

Our local club, PHofNC, donated over \$115,000 and over 7,000 volunteer hours over the past four years...and we had a blast and met great people while doing it. *We partied with a purpose!*

We are recognized and supported by Jimmy Buffett and his business interests. Please note, however, that we are not associated with HK Management, MCA Records or Margaritaville Records.

Some of the organizations we have Supported through time, goods, services and financial donations:

PHoNC holds monthly meetings on the second Saturday of each month, and all members are invited to participate. These meetings are 'keet (as the under 21 years of age children of Parrot Heads are affectionately called) friendly.

We also organize a variety of charitable and social events and activities throughout the year, enthusiastically promoting our motto: We party with a purpose!
