

Read first: Install the case in the order as depicted: screen first then keyboard. Uninstall the case in reverse order: keyboard first then screen. The case should install and uninstall without much force. Please contact us with any questions or concerns: 605-622-0884 or Sales@ruggedprotection.com

Screen side:

1. Slide the case down to secure the top rounded corners of the case
2. Press the hinge side catches to fully seat the device

Keyboard side:

1. Slide the front edge of the case to hook the corner catches to the device
2. Press on the remaining parts of the case to fully seat the device
