To Whom It May Concern:

You have been invited to apply to participate in Live Coal Gallery's project – Aired Out Quilts. Aired Out Quilts is a 2019 Knight Arts Challenge winning project. This project will utilize the oral histories of native and long-time Detroiters who have lived in neighborhoods that are either distinct, in transition, enduring or on the edge of abandonment. These stories will provide the inspiration for artists to create contemporary freedom quilts that will be "aired out" and hung at homes in these select neighborhoods to serve as road maps to Detroit's future. The project includes the production of a documentary film, catalogue, and exhibition.

Our project team includes: Jean Alicia Elster (writer), Timashion Jones (photographer/filmmaker), Patricia Millender (quilter), Yvette Rock (director/artist), and April Shipp (quilter).

Those who are selected as interviewees will be documented through interviews, writing, photography, and film. Interviewees will need to be able to travel to our on-site recording facility. Each interviewee will be given a \$100 stipend, a copy of the finished printed catalogue, and most importantly, the original quilt inspired by his or her story. In order to qualify for this historical work, selected interviewees will have to complete all necessary legal paperwork, including, but not limited to, contracts and form W-9.

If you would like to be considered for this project, please complete the attached application and email to livecoaldetroit@gmail.com or mail to the address above. Please do not hesitate to call me if you have any questions or need assistance with the application.

Sincerely,
Yvette Rock
