ICE MELT

- Melts ice to -7°F
- Available in 12 lb. jugs, 20, 40 and 50 lbs. bag
- Formulated with corrosion inhibitors
- Available in blue color for improved visibility
- Safer for people and pets

- Melts ice to -10°F
- 11 lb jugs, 10, 25 and 50 lb; and 40 lb pails
- Contains the powerful melting catalyst, MG 104
- Helps prevent re-freezing up to 2.5 times longer than conventional ice-melters.
- Less harmful to plants, pets, shoes or carpet when used as directed

Also available in buckets

- Melts ice to -15°F
- 8lb jugs; 20 and 50 lb bags
- Faster than other ice-melters at melting ice and snow due to its unique hygroscopic action that quickly attracts moisture
- Doesn't blow or roll away like other ice-melters that use a flake or pellet form. Unique crystal shape helps it stay where you put it
- Safer for concrete – causes significantly less cracking, scaling and spalling on concrete than calcium chloride
