High School Art History CVCA Fall/Spring '22/'23

Art History this year we will be following along with the CVCA as we study Ancient Art. We will be taking a look into Ancient Egypt, Ancient Greece, and Ancient Rome. We will focus on a Christian and classical approach to art history. Art lessons teach the basic fundamentals of drawing and the academics of color theory and much more.

I ask that your student has a small art kit that he or she comes to school with

Art kit

Colored pencils

Drawing pencils

Markers

An art journal (no lines)

- This class is intended for highschool, please email me before enrolling your student if they are in 7th or 8th and we will talk about it.

Objectives: The students will a) learn to study and aesthetically analyze ancient art, b) apply ancient art to the study of civilizations at that time, c) create art modeled after ancient art forms, d) understand that art reflects culture
