## Class Description

Choir class is for all students who loves to sing or has no prior musical experience. Students will receive technical instruction on how to sing with others which will build camaraderie, friendships and self-confidence. There is an element of vocal coaching as well as elements of music theory. Students are also taught about the importance of music in honoring our Lord; as such, worship is a vital part of their music experience.

Regardless of a student's giftings and future vocal aspirations, we seek to instill a life-long love of music and a fervent desire for each one to use his or her voice to glorify God – that is the greatest “encore” performance of all!

**“Shout for joy to the Lord, all the earth, burst into jubilant song with music.” Psalm 98:4**
