

## **Science Part 1 and 2 - Spring/Fall 2021-2022 -CVCA**

**Instructor: Caryl Jones**

**Phone number: 909 - 289 9364**

**Email: [carylevca@gmail.com](mailto:carylevca@gmail.com)**

**Recommended grades: 6th-8th**

**Book requirements: To be uploaded and emailed before the start of the school year**

### **Course Summary:**

The Answers in Genesis - God's Design for Science will sow a love for science in your students. This curriculum supports the Genesis account of creation and reveals the wonder of creation through every unit. It approaches science from a Biblical worldview, emphasizing God's handiwork in the world around us and showing how real science supports Biblical authority. We'll discuss the great flood and how fossils support the Biblical account of creation. We'll learn about volcanoes, glaciers, weather, stars, planets, and everything that makes our Earth so special.

### **Course study:**

God's Design for Chemistry:

We will study the molecules, matter, and ecosystems that make up our world and learn about the tools of science, the scientific method and the periodic table of elements.

God's Design for Heaven and Earth

We will learn about God's plan for our planet, our solar system, and our universe. Your students will explore how God designed the earth to support life from our atmosphere to our oceans and will learn about geology, weather, and space.

### **Grading (percentage)**

Students will receive a progress report at the end of the first and third quarter.

### **Student Responsibilities**

- Follow class schedule (syllabus) and turn any assignments in on time
- Contact teacher if there are questions or concerns
- Treat other classmates with respect and love
- Show respect to all authority during classes.

### **Parent Responsibilities**

- Contact teacher if there are questions or concerns
- Keep student on track with class as needed
- Remind student of behavior policy as needed
