# RMAGS South East Region Match Report

**Venue:** Walmer & Kingsdown Golf Club, Kent
**Date:** Thursday 15th October 2026

## Overview of the Day

The South East region of the Royal Marines Association Golf Society (RMAGS) gathered at Walmer & Kingsdown Golf Club for the final meeting of the year. 22 players arrived from across the region to contend with extremely challenging, windy conditions. Roger Blown was unable to take part in the golf due to injury but joined us for dinner together with “Timber Wood BEM”.

The morning commenced at 09:30 hrs with traditional bacon rolls and piping hot coffee, providing an excellent opportunity for old friends to catch up. Following a pre-match briefing by Bobby Guest, the competitors headed out onto the course.

## The Course: Walmer & Kingsdown Golf Club

Often referred to as "The Club on the Cliffs", Walmer & Kingsdown is a historic 18-hole downland clifftop course perched high on the iconic White Cliffs of Dover. Designed by the legendary James Braid and opened in 1909, the course is famous for offering stunning sea views from every single hole, alongside the unique opportunity to spot the coast of France on a clear day.

## Post-Match & Clubhouse Hospitality

Following the conclusion of play, the society retired to the clubhouse to enjoy a well-earned drink and a fantastic two-course luncheon.

During the presentations, Bobby thanked all the members for their outstanding support throughout the year, with everyone looking forward to meeting up on the fairways again next season. The South East region continues to grow and now has 24 members. Sincere thanks were extended to Walmer & Kingsdown Golf Club's catering and greenkeeping staff for their warm hospitality and for presenting the course in superb condition.

The day concluded in time-honoured tradition with the raising of a glass to **absent friends**, capping off another highly successful and memorable RMAGS South East fixture.
