

Royal Marines Association Golf Society

Match Report

Faversham Golf Club – Friday 5 June 2026

The Royal Marines Association Golf Society held its second fixture of 2026 at Faversham Golf Club on Friday 5 June, with 18 members and one guest taking part.

Bobby welcomed everyone and thanked them for their continued support. He also extended a warm welcome to new member **Ken Peers** and our guest for the day, **David Hawkes**.

Faversham provided an excellent test of golf. With an abundance of trees lining many of the fairways, accuracy from the tee was essential. The course was presented in superb condition throughout and had clearly benefited from the welcome rainfall in the days leading up to the match. The greens were particularly challenging, proving both fast and difficult to read.

Prize winners on the day were:

Nearest the Pin

- 3rd Hole – Len Goldsmith
- 9th Hole – Dennis Wilson
- 16th Hole – David Hawkes

Longest Drive

- 12th Hole – Mike Guest

Division 1 Winner

- Ken Peers – 33 points

A special congratulations goes to Ken, who marked his debut appearance with an excellent victory in Division 1.

Division 2 Winner

- Mike Tucker – 34 points

"Bums Rush" Award: Andrew Fuller – 17 points

The average score for the day was 26 points, reflecting the challenging nature of the course and conditions.

Congratulations to all participants. Whether you won a prize or not, everyone contributed to another successful and enjoyable day of golf. I look forward to seeing you all at the next Royal Marines Association Golf Society fixture, which is at **Canterbury Golf Club on Tuesday 1st September 2026.**
