BEEF TAPA / MISO CHICKEN

Beef Tapa is a Filipino breakfast favorite, often enjoyed in "Tapsilog" (with garlic rice and a fried egg). Yet, its rich flavor and satisfying texture make it perfect for lunch, dinner, or a hearty snack. It's a comforting taste of home, adaptable to any meal and pairing well with everything from steamed rice to Filipino stews.

Our new **Spicy Miso Chicken** offers tender chicken infused with deep, umami-rich miso and a delightful spicy kick. Like our Beef Tapa, it's incredibly versatile—great for lunch, dinner, or buffets. Its bold flavor pairs wonderfully with rice, noodles, or a vegetable stir-fry, offering a modern twist on comforting tastes.

Craving classic comfort or an exciting new flavor? Both our Beef Tapa and Spicy Miso Chicken promise a satisfying culinary experience that goes beyond just breakfast.
