Hi Neighbor,

We are Roger and Carol Whitford. We are the parents of Mark Whitford, a firefighter who perished on 9/11, and the founders of the Mark P. Whitford Scholarship Fund.

We wanted to create a safe place in Delaware for all to come and pay tribute to those that made the ultimate sacrifice on September 11, 2001. We built a 9/11 Memorial in our front yard dedicated to these brave men and women and it is located at 17181 Minos Conaway Road, Lewes, DE 19958.

Each year we host a 9/11 Memorial ceremony to honor all who also perished that day. This year the ceremony will be Wednesday, September 11, 2024 at 5 PM.

This year, we are giving a blue porch light to you to display the month of September to show you still remember those who sacrificed themselves that day.

We do have a website that you can visit to get more information; <https://whitford.vip/>.

We would love to have you and your family and friends to join us.

Hope To See You There,

Roger and Carol Whitford
