

Special ABYA member discount for GLCC School webinars!

Now well into its second decade, the GLCC School offers a broad range of webinars that will appeal to all Great Lakes cruisers. Thousands of boaters have turned to the GLCC School for invaluable information on Great Lakes destinations and cruising skills of all kinds. All GLCC School classes are offered as both live internet-based webinars and recordings available 7/24 for your viewing pleasure.

What Kind of Classes are Offered?

Online classes cover amazing Great Lakes destinations—including wilderness anchorages—plus a wide variety of cruising and technical skills. “How to” classes include: anchoring, navigating locks, marine communications, distance cruising, weather, radar, solar power, diesel mechanics and many more. GLCC School Instructors are industry experts or cruisers with extensive knowledge and firsthand experience.

Need Some Help Enrolling or Registering?

[Click here to watch the YouTube video The GLCC School In Four Easy Steps.](#) This short video walks you through the simple process of enrolling, registering and watching GLCC School classes.

Need more help than a video? [Click here and send a personal message to the GLCC School volunteer team.](#) One of the team members will respond within 24 hours.
