

ABYA Association Officers and Members,

On behalf of the Citizens of Wayne County, Sheriff' Raphael Washington and myself we would like to thank you for your generous denotation of the handheld VHF marine radios. These radios will assist our officers in the performance of their duties while out on patrol in Lake St. Clair, Detroit River, and Lake Erie. We often conduct investigations, dry dock inspections, or simple vessel inspections in local marinas or yacht clubs that take us away from the patrol boat. Having the mobile marine radio will allow officers to be more aware of emergency situations on the water that may arise. We are grateful for our ongoing partnership and look forward to may years of continued cooperation.

Regards,

Sgt. Michael Roehrig
