

Parents of Children with ADHD

Anson Family Counseling is offering a once a week psychoeducation group class for Parents/adults of children with ADHD. Classes will be weekly and continue for 4 weeks.

Wednesday,
7 May 2025

75 W 100 S
Suite 270
Logan, Utah

6 pm-7:30 pm

Parents/adults will be able to better understand how their child's brain works and their behavior. They will learn strategies to help mitigate the impact of ADHD on the lives of both their child and their family.

****This is a closed group. Attendance for all four classes mandatory.**
