

Dilley Campaign Sponsors

DILLEY COMMUNITY TRANSPARENCY REPORT | OCT. 3, 2026

Community made Dilley Possible.

Dilley happened because people
trusted us with their time,
resources and money.

That trust deserves transparency.
We will continue documenting what
comes in, what goes out, and what
your support makes possible.

JANUARY 30, 2027, WE RETURN

COMMUNITY EVENT SPONSOR

TRASH PANDA DRINKING CLUB

515 Patton St, Houston, TX 77009

Trash Panda Drinking Club is a Houston Northside neighborhood bar rooted in good food, good drinks, and community. In support of IYT's Dilley action, Trash Panda hosted a community event where a portion of sales was donated directly to Immigrating Youth Texas turning a night out into an opportunity for the community to help fund the work. Their support helped make our trip to Dilley possible and is a great example of how local businesses can use their space and platform to support community led action.

COMMUNITY SPONSOR

NATIONAL INJURY CLAIMS COUNCIL

National Injury Claims Council (NICC) connects accident victims with trusted attorneys and medical providers, offering free assistance with compassion and care. Our bilingual team proudly serves the Hispanic community in English and Spanish, helping individuals navigate the next steps after an accident regardless of immigration status. We believe every family deserves to feel heard, supported, and confident asking for help. NICC is honored to support Immigrating Youth Texas and stand alongside an organization dedicated to immigrant children and families.

COMMUNITY SPONSOR

LETICIA GUTIERREZ FOR CONGRESSIONAL DISTRICT 9

Leticia Gutierrez is a Houston community advocate and candidate for Congress in Texas' 9th Congressional District. Her work has centered working families, immigrant communities, and ensuring community voices have a place in the decisions that affect them. Leticia supported the Dilley action as a community sponsor and joined our broader efforts to bring attention to the detention of children and families including traveling to Dilley with IYT & WTL.

@leticiaforcongress

COMMUNITY SPONSORS

We also want to recognize the sponsors who contributed to our Dilley action but chose not to be publicly highlighted. They gave simply because they believed in the work and wanted to help make it possible. We respect their choice to remain private, but their support deserves our gratitude all the same. To our sponsors who chose to give quietly thank you for believing in this community and investing in what we are building together.

COMMUNITY DONORS

Not every sponsor wished to be publicly highlighted. Some simply wanted to help and we are just as grateful for their support.

To every community member who donated, thank you.

There is no donation too small in a community led initiative. Every dollar contributed helped our community organize, travel, prepare, and show up in Dilley. Whether you gave \$1, \$20, \$100, donated supplies, shared our fundraiser, or simply helped spread the word you were part of making this action possible. This work belongs to the community, and it is only possible because the community continues to show up.

Remaining funds: \$-13.00
Designated toward January 30, 2027 Dilley action & future Dilley organizing
pending sponsorship, not reflected as funds have not been rendered to IYT

BECOME A COMMUNITY SPONSOR FOR JAN.30

HELP FUND WHAT COMES NEXT

Our work in Dilley did not end on October 3. IYT is continuing to build community led actions around family and child detention and we are inviting local businesses, organizations, and community members to help sustain that work.

COMMUNITY SPONSOR \$250+

Community Sponsors may receive recognition through IYT's website, social media, campaign materials, and Dilley related media.

Businesses can also support the work by hosting a fundraiser, donating a portion of sales, sponsoring transportation or supplies, providing in-kind donations, or creating their own community fundraising event. Every contribution goes back into community led organizing.
