Patagonian Fjords a wilderness adventure

23 October to 8 November 2022

Duration: 17 days

Start: Ushuaia

Finish: Ushuaia

A true adventure into one of the wildest and least visited wildernesses on earth.

To the west of the Argentine town of Ushuaia is a labyrinth of deep fjords, lined with virgin beech forest, that cut deep into the mountains of the Cordillera Darwin and the islands of Tierra del Fuego. Devoid of roads and villages, the only way to reach this area is by boat. The Patagonian Fjords have it all... mountains, glaciers, icebergs, fjords and wildlife.

While we intend to use skis for some forays into the interior, we will just as often use kayaks and hiking boots. The skiing feels exploratory, the hiking is exhilarating, and the sea kayaking is spectacular.

Flexibility is key. Expect the unexpected!

Day Itinerary*

- | | | | |
|---|--|----|---|
| 1 | Arrive in Ushuaia. Night in hotel. | 10 | Kayak along the Fiordo Garibaldi |
| 2 | Kit check & glacier skills practice. | 11 | Sail to Estero Coloane (Isla Hoste) |
| 3 | Sail to Puerto Williams (Isla Navarino) – registration & hike up Cerro Bandero | 12 | Ski to the Cloue Ice Sheet |
| 4 | Sail to Caleta Olla | 13 | Kayak to Isla Gordon (10km) |
| 5 | Hike above the Holanda Glacier | 14 | Hiking above Cabo El Gorro |
| 6 | Sail to Fjordo Pia, kayak to Kalv Glacier | 15 | Sail to Puerto Williams (Isla Navarino) |
| 7 | Hike up the Glaciär Sinus | 16 | Arrival in Ushuaia. Night in |
| 8 | Sea Kayak to the Porter Glacier | 17 | Departure |
| 9 | Hike to Pta Hamburgo (Fiordo Garibaldi) | | |

Antarctic Peninsula

classic ski descents

14 November to 16 December 2022

Skiing the stunning peaks above Cierva Cove. Photo: Phil Wickens

Duration: 33 days

Start: Ushuaia

Finish: Ushuaia

Aimed at competent ski mountaineers who would like a unique ski adventure, our focus will be the ski mountaineering classics of the Antarctic Peninsula.

Using the yacht "Icebird" as a mobile base-camp for single-day ski ascents, we also aim to undertake at least one multi-day trip, establishing a high glacier camp from where we can attempt a number of ski summits away from the coast, and to access the higher quality snow that is found inland.

Day Itinerary*

- | | | | |
|-----|--|-------|---|
| 1 | Arrive in Ushuaia. Night in Hotel or Cabana. | 18 | Sail to Paradise Harbour, sea kayaking |
| 2 | Kit check, glacier skills practice in the Fuegian Andes. Night in Hotel or Cabana. | 19 | Ascent of Mount Banck. |
| 3 | Pack yacht, set sail towards Cape Horn | 20 | Ski on Bruce Island; sail to Port Lockroy |
| 4-6 | Crossing the Drake Passage. | 21 | Ascent of Jabet Peak. |
| 7 | Arrival in Antarctica. | 22 | Ascent of The Minaret / Shewry Col. |
| 8 | Ski tour on Two Hummock Island. | 23 | Ascent of Billie Peak and Copper Col. |
| 9 | Sail to Cierva Cove. | 24 | Sail and kayak through Lemaire Channel. |
| 10 | Ski ascent of Amundsen Peak. | 25 | Skiing on Pleneau Island / Port Charcot. |
| 11 | Sail to Portal Point, afternoon ski nearby slopes. | 26 | Ascent of Mt Scott. |
| 12 | Ski ascent of Harris Peak.
Sail to Enterprise Island. | 27 | Skiing on Mt Mill and Edge Hill. |
| 13 | Relaxed skiing, kayak around Enterprise Island. | 28 | Visit Vernadskiy base, kayak and pack. |
| 14 | Sail to Cuverville island and ski ascent. | 29-31 | Crossing the Drake Passage |
| 15 | Ascent of Mt Tennant. | 32 | Arrival in Ushuaia. Night in Hotel or Cabana. |
| 16 | Sail to Waterboat Point; ascent of Rojas Peak. | 33 | Departure. |
| 17 | Ascent of Mt Guterch | | |

* A sample itinerary is given for illustration only. The actual itinerary will vary depending on conditions and the abilities / aspirations of the group members.

Antarctic Peninsula

adventurous ski ascents

29 December 2022 to 31 January 2023

Skiing from the summit of Mount Francais, the highest peak in the northern Antarctic Peninsula Photo: Phil Wickens

Duration: 34 days

Start: Ushuaia

Finish: Ushuaia

This expedition will appeal to more experienced ski mountaineers who would like something even more strenuous & adventurous. In addition to day ascents of a handful of the lower coastal classics, we will also aim to establish an inland camp to attempt one of the higher and more demanding mountains.

With the prospect of skiing the best snow on the Antarctic Peninsula, and with descents up to 2000 vertical metres, it will certainly be worth the extra effort!

<u>Day</u>	<u>Itinerary</u>	
1	Arrive in Ushuaia. Night in Hotel or Cabana.	23
2	Kit check, glacier skills practice in the Fuegian Andes. Night in Hotel or Cabana.	23
3	Pack yacht, set sail towards Cape Horn.	24
4-6	Crossing the Drake Passage.	25
7	Arrival in Antarctica.	26
8	Skiing / Paddling on Hovgaard Island.	27
9	Skiing on Mt Mill and Edge Hill.	28
10	Sail to Lippmann Island.	29
11	Ski ascent of Lahille Island.	30-32
12	Kayaking around Pitt Islands.	33
13	Visit Vernadskiy Base, kayaking.	34
14	Ascent of Mt Cloos Mt Scott.	
15	Sail and kayak through Lemaire Channel.	
16-21	Mt Francais (multi-day ascent).

Antarctic Peninsula sea kayaking adventure

7 February to 8 March 2023

Paddling past the Avalanche Glacier, Paradise Harbour. Photo: Florian Ledoux

Duration: 30 days

Start: Ushuaia

Finish: Ushuaia

Join us for a sea kayaking adventure like no other! Late summer is a fantastic time for wildlife on the Antarctic peninsula, when whales abound and penguin chicks are growing, and sea kayaking is the best way to experience this up close.

In addition to day-trips from "Icebird", after which we return to the comfort of Icebird for the night, we also plan to undertake a longer multi-day journey along the Antarctic Peninsula, spending the nights camping on remote islands and beaches - the ultimate way to truly experience Antarctica and its timelessness.

Day Itinerary

- | | | | |
|-----|---|-------|---|
| 1 | Arrive in Ushuaia. Night in Hotel or Cabana. | 18 | Paddle to Cuverville Island (9km). |
| 2 | Pack yacht, set sail along the Beagle Channel. | 19 | Sail to Enterprise Island. |
| 3 | Kayak / rescue practice in the Beagle Channel. | 20 | Paddle around Enterprise Island (10km). |
| 4-6 | Crossing the Drake Passage. | 21 | Enterprise Island Glacier hike. |
| 7 | Arrival in Antarctica. | 22 | Paddle to Portal Point (15km). |
| 8 | Argentine Islands sea kayaking (10km). | 23 | Sail to Melchior Islands. |
| 9 | Paddle to Waddington Bay via Yalour Isl (12km). | 24 | Exploring the Melchioris by kayak. |
| 10 | Paddle to Petermann Island (14km). Camp. | 25 | Final sea kayaking in the Melchior Islands, then packing yacht. |
| 11 | Paddle to Pleneau Island (11km). Camp. | 26-28 | Crossing the Drake Passage. |
| 12 | Paddle along the Lemaire Channel (10km). | 29 | Arrival in Ushuaia. Night in Hotel or Cabana. |
| 13 | Rest day and visit Port Lockroy. | 30 | Departure. |
| 14 | Sail and paddle to Skontorpe Cove. | | |
| 15 | Skontorpe Cove paddling. | | |
| 16 | Paddle to Hanka Island (8km). Camp. | | |
| 17 | Paddle to Beneden Head (16km). Camp. | | |

About Ski Antarctica

Ski Antarctica was borne from a joint passion for exploration and adventure in remote and wild places

An expedition is more than just a holiday. It is part of a much larger journey of self-development and learning.

Utilising our wealth of polar expedition experience, our aim is to create strong teams from the individuals and groups who join us, to embark together on an adventure of a lifetime, and to come away with a greater level of competence and self-responsibility on the oceans and in the mountains.

Phil Wickens (Expedition Leader)

Phil organises and leads our ski mountaineering trips, sea kayaking and backcountry operations. With over 2 decades of leading skiing and mountaineering expeditions in Antarctica, including 3 years as a field guide for the British Antarctic Survey, his Antarctic experience is unrivalled.

To date, Phil has made more than 20 yacht-based expeditions to Antarctica, reaching the summits of over 140 different Antarctic mountains, including over 50 first ascents, and totalled more than 800 days of skiing in Antarctica.

Cath (Icebird Owner and Skipper)

Cath is the owner and skipper of Icebird. Having skippered charter yachts to Antarctica for almost two decades, plus a wealth of other impressive sailing adventures, she is one of the most experienced and respected skippers operating in Antarctica.

Cath has been sailing all her life, racing dinghies from the age of 4 (!), offshore ocean racing yachts as a teenager and adult, sailing around the world with her children in a yacht she built herself, and expedition sailing at high latitudes. Cath brings a wealth of experience in seamanship & remote area operations.

Oly Grant (Skipper / First Mate)

Expedition sailor, sailing instructor, experienced kayaker, and a climber and mountain rescue team member, Oly brings a vast amount of experience, knowledge and skills to the Ski Antarctica team.

+

“ICEBIRD” Our expedition yacht

Designed and constructed specifically for polar expeditions, Icebird is an extremely strong, heavy-duty 60ft aluminium expedition yacht that was custom-built by the highly-respected Trintella Shipyard in the Netherlands

With a reinforced hull, central heating and retractable keel, she is well suited to exploratory sailing in polar waters.

Icebird's unique heated and double-glazed pilot-house gives spectacular 360-degree views, as well as comfort and shelter from the elements while sailing across the Drake Passage. As members of an expedition team, all guests are encouraged to assist with the sailing and watch duties – this is an expedition after all!

Comfort on board is enhanced with Icebird's 2 bathrooms (with showers), a comfortable lounge area, a well-provisioned galley, laundry facilities, and a large-capacity water-maker. Accommodation is in three shared cabins, with duvets and towels provided.

Transport ashore is provided by our inflatable rigid-hulled power boat. In addition, we carry a number of sea kayaks for complimentary use by our guests, providing a fantastic way of experiencing the wildlife and landscape of Antarctica.

How to Book

phil@ski-antarctica.com

www.ski-antarctica.com

To book a place on one of our expeditions please contact us by email at phil@ski-antarctica.com or via www.ski-antarctica.com

To ensure that we assemble our teams with expedition members who will get along and have similar levels of skiing ability, we like to get to know you a bit first. If you wish to join one of our expeditions please email us at phil@ski-antarctica.com, or use the contact form at www.ski-antarctica.com so that we can discuss the expedition in more detail, answer any questions that you may have, and send you an application form.

We look forward to hearing from you!
