

**INTRODUCTION TO
RANCH ROPING CLINIC**

February 23rd and April 27th 2019

A great start to roping off your horse!

Learn the basics of roping on the ground and on horseback.
How to handle a rope correctly and safely around your horse.
Understand how the cow moves off the horse and how to position
your horse to catch your target.

To work cattle & rope off your horse is a rewarding experience.
Setting you and your horse up for success!
All breeds are welcome.
