

Puppy Contract: Seller agrees to the best of their knowledge that the puppy is of good health upon leaving the seller's home. Seller agrees the puppy will have begun vaccines prior to leaving. However, this does not mean that the puppy is immune upon leaving the seller's home. The puppy must be cared for in the same manner as if it is not vaccinated, as it takes up to 19 weeks of age and multiple rounds of vaccines, which the buyer must provide, for a puppy to be considered immune. Only after the buyer completes the puppy's full set of required vaccines can the puppy be taken in public. Puppy should NOT be taken to public places until two weeks after the final round of puppy vaccines. The seller will supply the buyer with any vaccine records and any paperwork discussed.

Purchase Agreement & Deposit Terms

A refundable deposit in the amount of \$500 was received on _____ to reserve a French Bulldog puppy. The remaining balance of \$3500 will be due via Zelle, Venmo, or cash before the puppy goes home. Buyer and Seller must agree on a pickup date.

Buyer Cancellation Prior to Receiving Puppy

If the Buyer decides, for any reason, that they no longer wish to proceed with the purchase before taking possession of the puppy, the deposit shall be refunded minus a daily care fee of \$60 per day. The daily care fee includes, but is not limited to, food, housing, routine care, time, and expenses associated with continuing to care for the puppy. The daily care fee will be calculated from the date the deposit is received through the date the Buyer provides written notice of cancellation. Any remaining portion of the deposit, after deducting accrued daily care fees, will be refunded to the Buyer within a reasonable time frame.

Failure to Pick Up Puppy

If the Buyer does not pick up the puppy on the agreed pickup date, the Buyer will be given one courtesy day. Beginning the following day, a \$60 per day care fee will apply until the puppy is picked up or the Buyer cancels the purchase. If the Buyer cancels after the agreed pickup date, the refundable deposit terms still apply, minus accrued daily care fees.

Seller Cancellation

If something should happen to the puppy before pickup that prevents the sale, the Buyer's deposit will be refunded in full. If the Buyer, for any reason, cannot keep the puppy after taking possession, the puppy must be returned to the Seller. The purchase price will be forfeited. No refunds are given after the puppy has gone home, except as specifically stated under the health guarantee.
